Giant Pandas

We are going to learn about the endangered giant panda.

Warm-up 2 min

Do you like pandas? What do you know about them?

© 51Talk. Proprietary and Confidential.

Reading 3 min

Read with the teacher and then answer the question below.

Giant pandas, also known as panda bears, are **native** to south central China, mainly the mountainous area of Sichuan Province. Ninety-nine percent of a giant panda's diet is made up of bamboo.

Why are giant pandas also known as panda bears?

Reading 4 min

Read with the teacher and then move to the Word Focus.

Giant pandas have become **endangered**. One of the main reasons is habitat **destruction**. As a result of farming, **deforestation**, and other human activities, giant pandas have been forced to live in smaller and less livable areas.

Word Focus

- The **destruction** of the house was completed in two days.
- How does habitat **destruction** affect giant pandas?

Reading 3 min

Read with the teacher and then answer the question below.

There are around one thousand giant pandas left in the world today. Wildlife reserves have been set up in parts of China to give giant pandas a happy and safe place to live in.

What have people done to protect giant pandas?

To be continued...

Reading 4 min

Read with the teacher and then move to the Grammar Focus.

Giant pandas play an important role in China's bamboo forests by spreading seeds, which will later grow into bamboo plants. **If** giant pandas become **extinct**, the balance of the **ecosystem** in the forest will be broken and the population of other animals will decrease.

Grammar Focus

- **Type one conditional**: The "if" clause uses the simple present tense, while the main clause uses the simple future tense. The "if" clause is used to express a certain condition that must happen for the action in the main clause to happen.
- Form: If + simple present, will + verb.
- E.g., **If** there is no rain this weekend, I will go hiking.

Let's practice.
