# On the Airplane

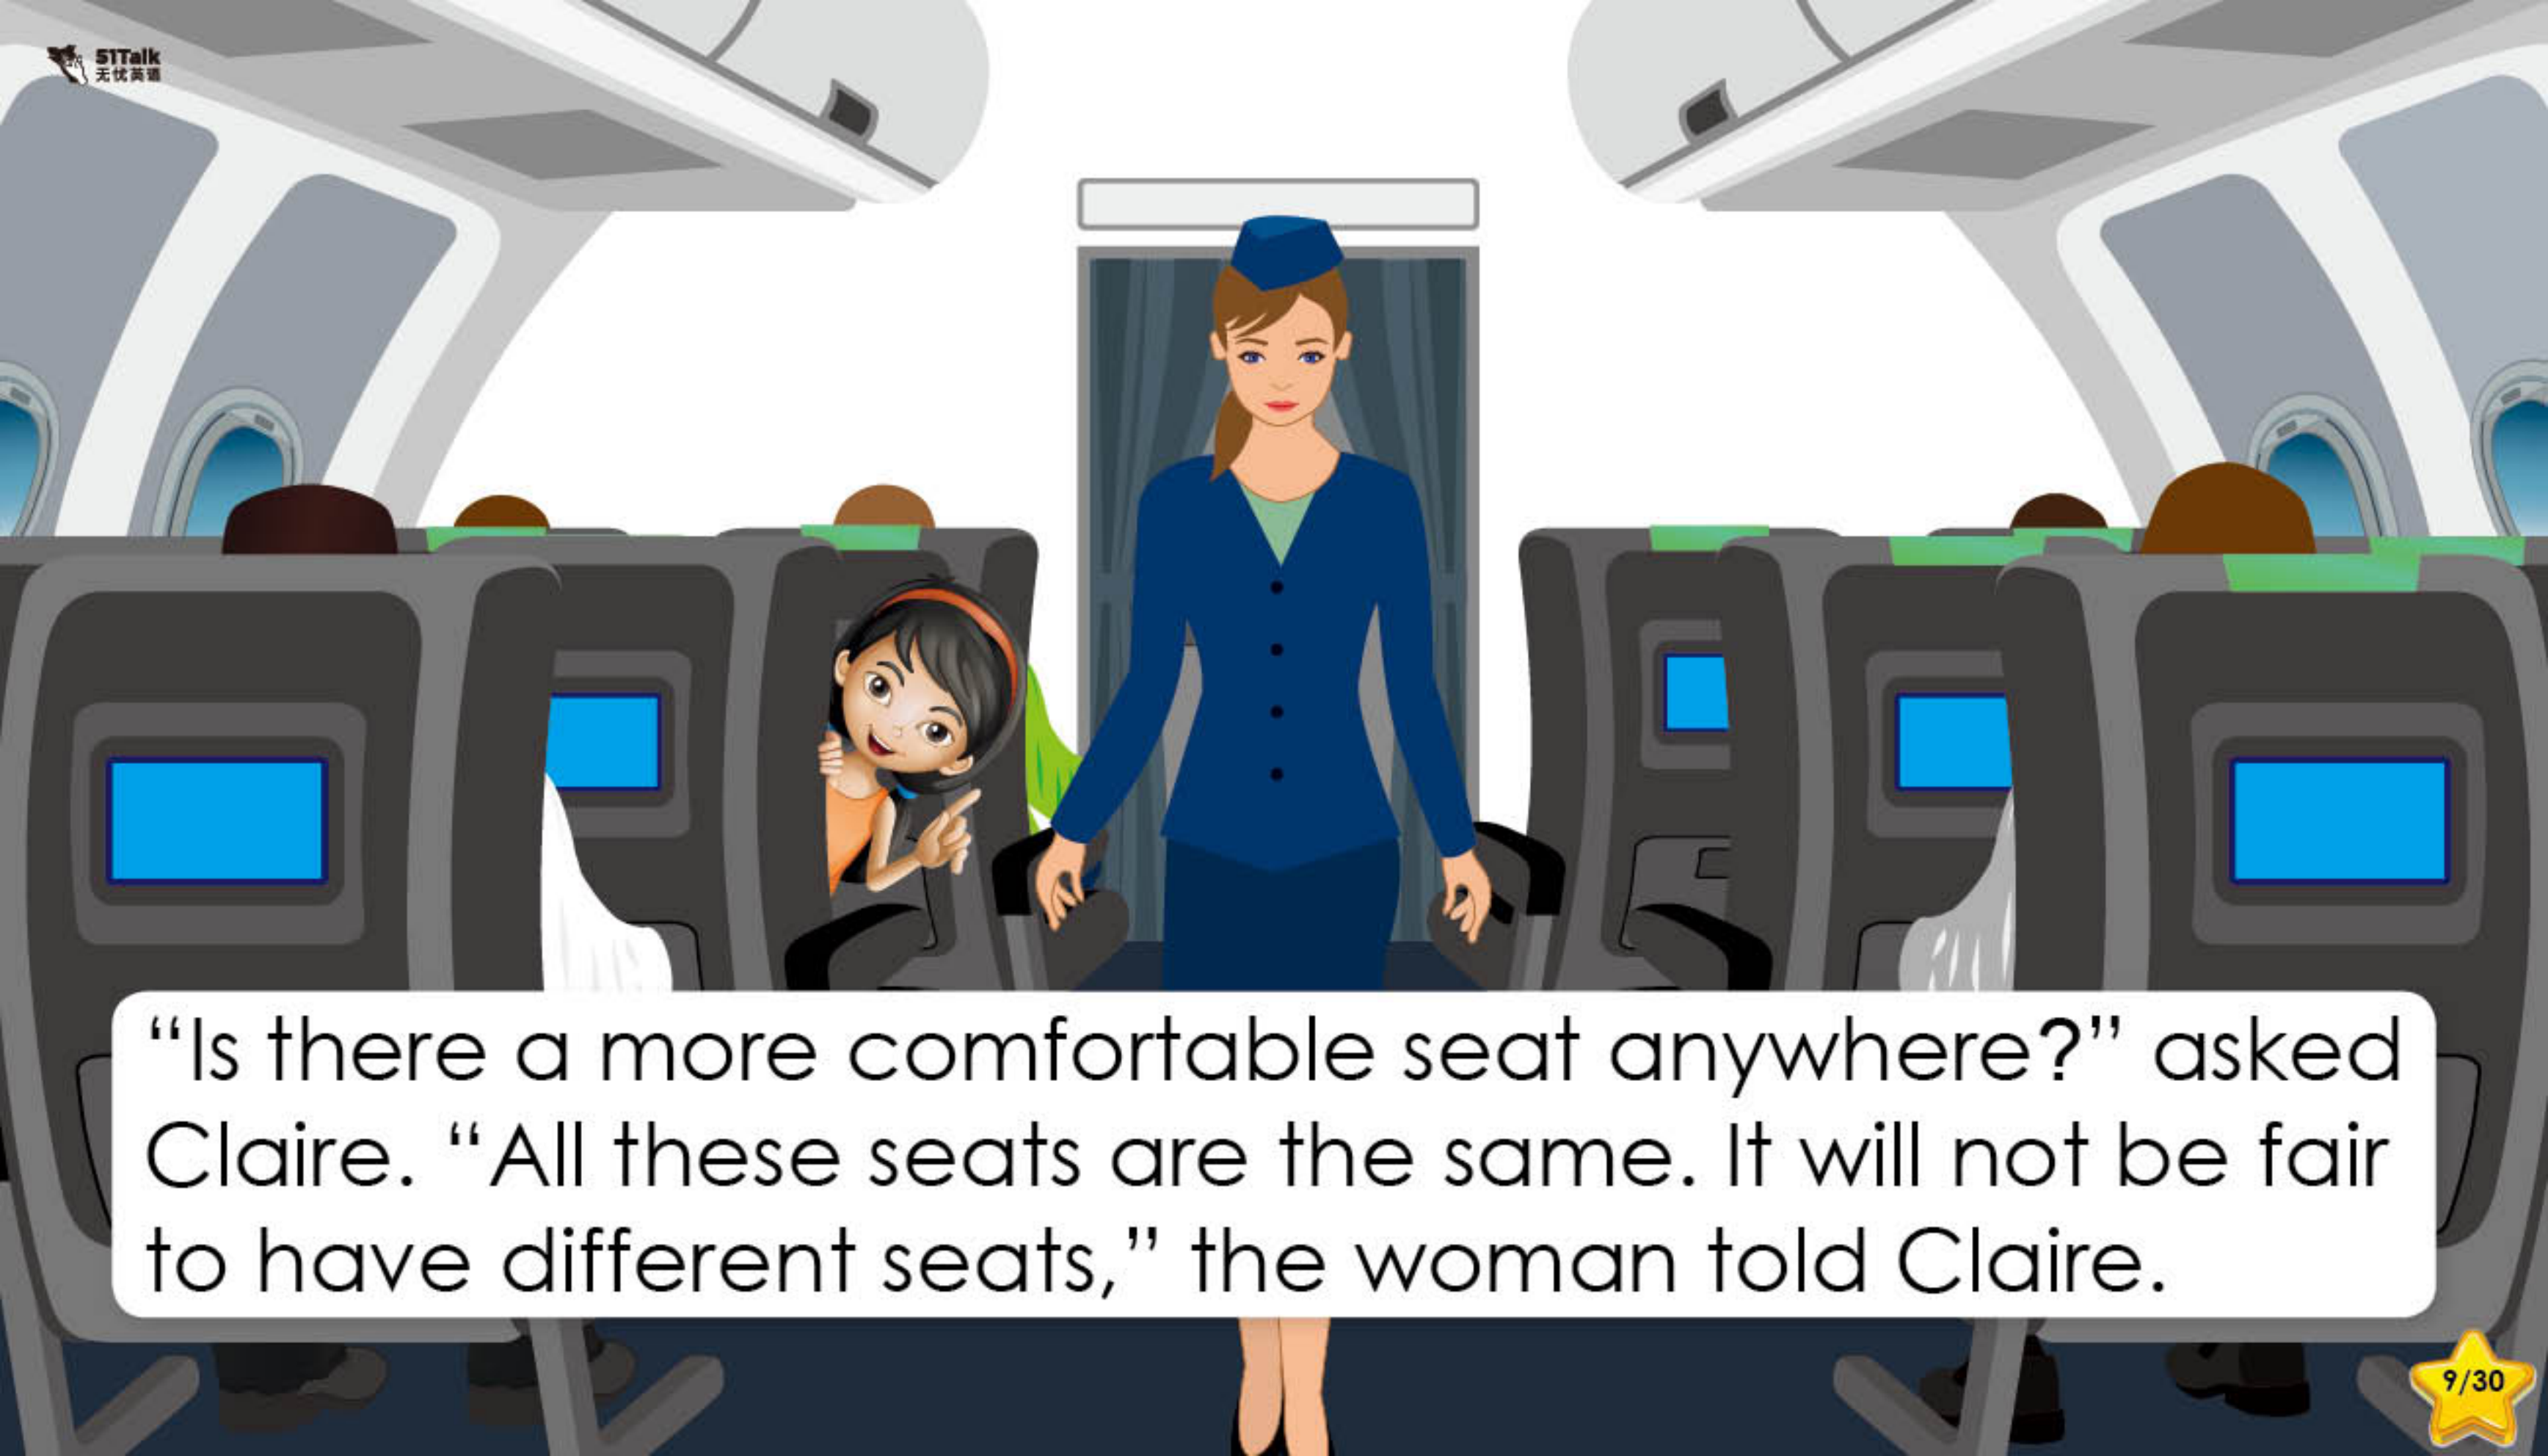

Claire was at the airport. She felt the wind in her hair on the airplane stairs. “Oh, the wind is so strong!” she cried.

Claire got on the airplane. She went to her seat and sat down. "This chair is not very comfortable," thought Claire.

“Is there a more comfortable seat anywhere?” asked Claire. “All these seats are the same. It will not be fair to have different seats,” the woman told Claire.

"I can give you a pair of headphones. You can use it to listen to music," she said. "That's a great idea. Thank you," said Claire.
