...

Activity 6—Genre Features

02:00

Circle the links you can find in this blog and answer the question.

Home > Music Classical Pop TV&Radio

Music

Jason's Music blog Amazon.com and iTunes Store are your first and best choice. They are the most popular places to purchase and download music online. What's more, they are both easy to sign up. Once you have signed yourself up, you're free to browse all their collections. Amazon.com has more than 20 million songs to purchase, while iTunes' user-friendly interface makes it a great choice for young people.

How do these links help us when reading a blog ?

Activity 7—Comprehension Skill

02:00

This is a short part of a blog. Read this blog and answer the questions.

Kovac says that **PVC** pipes are great for making instruments because they are inexpensive, come in many shapes and sizes, and fit together perfectly. **Kovac** makes **harps**, **guitars**, **violins**, and **cellos** out of **PVC** pipes. His instruments may look as if they come from outer space, but they really work. He and some of his music students and friends even started a band called the **East Coast PVC Band**.

How many links are given here? Circle them.
