William is in New York. He flew there last week with some of his classmates. They're having English lessons at a college in the city center. He's talking and sending messages to the other people in his family on the internet. He does that in the lesson break in the afternoon.

His father, Michael, teaches math but he's at home now. His mother, May, is a businesswoman. She's visiting a factory in China where they design apps and make laptops and tablets. His sister, Julia, is in another country too. She's skiing with her class in the mountain.

# Read and choose

~~classmates~~ family borrowing later ~~math~~ hour factory ~~skiing~~ fetch ~~use~~

William's family have to think carefully about a good time to talk to each other because the time is different in each of the four countries. William can \_\_\_\_\_ the computer room in New York at 3 p.m. Back at home, his dad turns on the computer at 7 p.m. to talk. After a day in the mountains, Julia goes online in her hotel at 5 p.m. But their conversation is much \_\_\_\_\_ for William's mother. Where she is, it's 4 a.m.

# Read and choose

~~classmates~~ ~~family~~ ~~borrowing~~ ~~later~~ ~~math~~ ~~hour~~ ~~factory~~ ~~skiing~~ ~~fetch~~ ~~use~~

William's family have to think carefully about a good time to talk to each other because the time is different in each of the four countries. William can use the computer room in New York at 3 p.m. Back at home, his dad turns on the computer at 7 p.m. to talk. After a day in the mountains, Julia goes online in her hotel at 5 p.m. But their conversation is much later for William's mother. Where she is, it's 4 a.m.

# Read and write

Now choose the best name for this story.

- A. Julia's funny day at the airport
- B. William's family conversation
- C. A lesson for William's dad

03

# Conclusion
