Read the story

It was Halloween yesterday. And I played with my friends all day. In the morning, we went to the shop to buy some clothes that we wanted to wear at night. We bought a big pumpkin because we wanted to make a pumpkin lamp. We also bought many kinds of sugars like chocolate bars, candies and cookies.

Read the story

And then, we went home and Mummy taught us to make the pumpkin lamp. We clean the pumpkin and empty (掏空) it. Mummy told us to use a knife to cut the eyes and mouth in the pumpkin. In the end, we put a candle inside the pumpkin. My Mummy also cooked many cookies and their shape looked like the pumpkin. The cookies tasted very good.

Read the story

At night, I wore white clothes like a ghost. My friends just could see my eyes and mouth. We went out together to knock our neighbors' doors. We waited in front of doors and said "trick or treat". Then, our neighbors gave us candies and chocolates. It is very funny and I like the festival!
