Ice Cream:

Sweet Happiness in Summer

Three ice cream recommendations
by Laura Zay

In the heat of summer, nothing could make one feel cooler than ice cream. Today, three different types of ice cream will be recommended to you.

Häagen-Dazs' Vanilla Ice Cream

For many years, Häagen-Dazs has only used natural **ingredients**, and it **keeps creating** new flavors.

Today, we recommend their vanilla ice cream.

What is the title of this article?

The basic ingredients are **nonfat milk**, cream, **egg yolk**, sugar and **vanilla**.

Because of its simple and pure ingredients, the ice cream offers a creamy **texture** and the flavor of vanilla shines through.

Rating:

Which product is the most popular one of DQ?

Dairy Queen's Royal New York Cheesecake Blizzard

Dairy Queen, DQ for short, serves a variety of frozen products. Among all of its products, the Blizzard is the most popular.

The Royal New York Cheesecake Blizzard is strongly recommended.

This soft serve offers a softer texture than regular ice cream. This is because when **blending** the

ingredients, tiny air bubbles are added into the ice cream.

This ice cream uses milkfat, nonfat milk, **corn syrup**, sugar, and cheesecake as its basic ingredients.

When I tried this ice cream, its strawberry center really surprised me!

Rating: ★★★★★

Baskin-Robbins' Green Tea Flavored Ice Cream

Baskin-Robbins is famous for flavors. It started out by offering 31 flavors, which was meant for people to try a new flavor for each day of a month. But today, it has more than 1,000 flavors.

What is the subheading on this page?

The green tea flavored ice cream is worth trying. It has cream, nonfat milk, sugar and corn syrup as its basic ingredients. Because it also has natural green tea leaves as an ingredient, it is not so sweet. When enjoying this yummy ice cream, I couldn't stop **scooping**.

Rating: ★★★★★

What are the basic ingredients of Baskin Robbin's green tea flavored ice cream?

Each of these three recommendations is well worth a taste. Consider trying one if you don't know what ice cream you want. Hope you enjoy the icy happiness!

Today we read a magazine article about ice cream.
