READING COMPREHENSION

Apple pie is a delicious dessert. Many people like it, especially kids. It tastes yummy, and it's easy to make! Follow these steps to make your own apple pie!

Do you like apple pie? Why or why not?

First, prepare flour, water, butter, sugar, and a few apples. Mix the water, flour, and butter together to make a dough.

What do you need to prepare to make an apple pie?

The second step is to **slice** the apples and put them into a bowl. Add the sugar and mix them together.

What is the second step?

The third step is to split the dough into two pieces.
Roll each piece into a circle.
Place one circle in the pan.
Add the apple **filling** on top.

What should you do after placing the first piece of dough in the pan?

The last step is to place the other piece of dough over the filling. Put the pie in the oven and **bake** it for about 40 minutes.

How long should you bake the pie?

Once the pie is cooked, take it out of the oven and let it cool for about 15 minutes. After that, you can slice it into pieces and start eating it!

Would you like to make an apple pie? Why?
