## CONVERSATION

Timmy and Cindy stand on a wooden bench watching birds with binoculars.

1 Quick, look through your binoculars, Timmy!

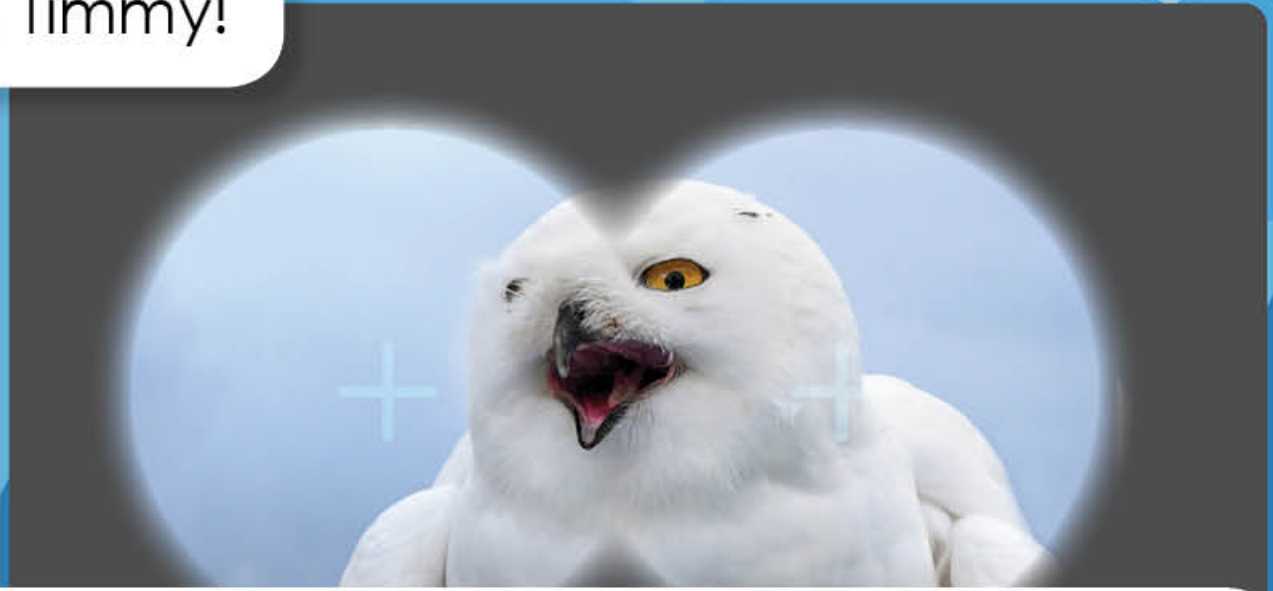

2 Wow, that bird looks quite **fierce**.

3 Yes, it's the snowy owl. It has a **razor-sharp** beak for eating small animals and fish. In the North Pole, you can see many snowy owls.

Are there owls in your country?

1 Wow, the snowy owl **swooped down** and caught a fish!

2 Yes, that water must be very cold.

3 Can the snowy owl go into the water?

4 No, it doesn't like cold water. It's warm-blooded, like us.

Why don't snowy owls like cold water?

1 Look, there's **a flock of** birds in the sky!

2 They're called snow geese.

3 Where are they going?

4 They're flying south for the winter. Snow geese **always** migrate **when** it gets too cold.

When do snow geese migrate?

1 What's that over there?

2 That's a polar bear. Polar bears can swim in the water and run on the ice. They're quite strong.

3 It's running very fast now ...

4 Quick, run away!

What would you do if you saw a polar bear?
