FOOD AROUND THE WORLD

The world has many different kinds of food. People like to eat things like steak, salad, and bread. People also like to eat fresh fruits, like apples, bananas, and strawberries. These are very common foods.

The world has many types of special food. Do you know any types of special food?

People like to eat all sorts of things!

FRENCH FOOD

In France, for example, people enjoy eating **baked snails**. The French like this **dish more than** any other people in Europe. In fact, most people outside of France have never eaten baked snails.

France also has many famous soups, like **French onion soup**. This soup is made with a **beef broth** and onions. It's also served with lots of cheese and bread.

CHINESE FOOD

Did you know people like stinky food?

In China, there is a very special dish called “**stinky tofu**.” The reason for this name is its strong **odor**. “Stinky tofu” is sold in markets and **food carts** on the street.

Chinese people eat more “stinky tofu” than the tourists who go to China. Many tourists don’t want to eat this food because the smell is too strong!

Fact or opinion?

Stinky tofu is sold in markets and food carts on the street.

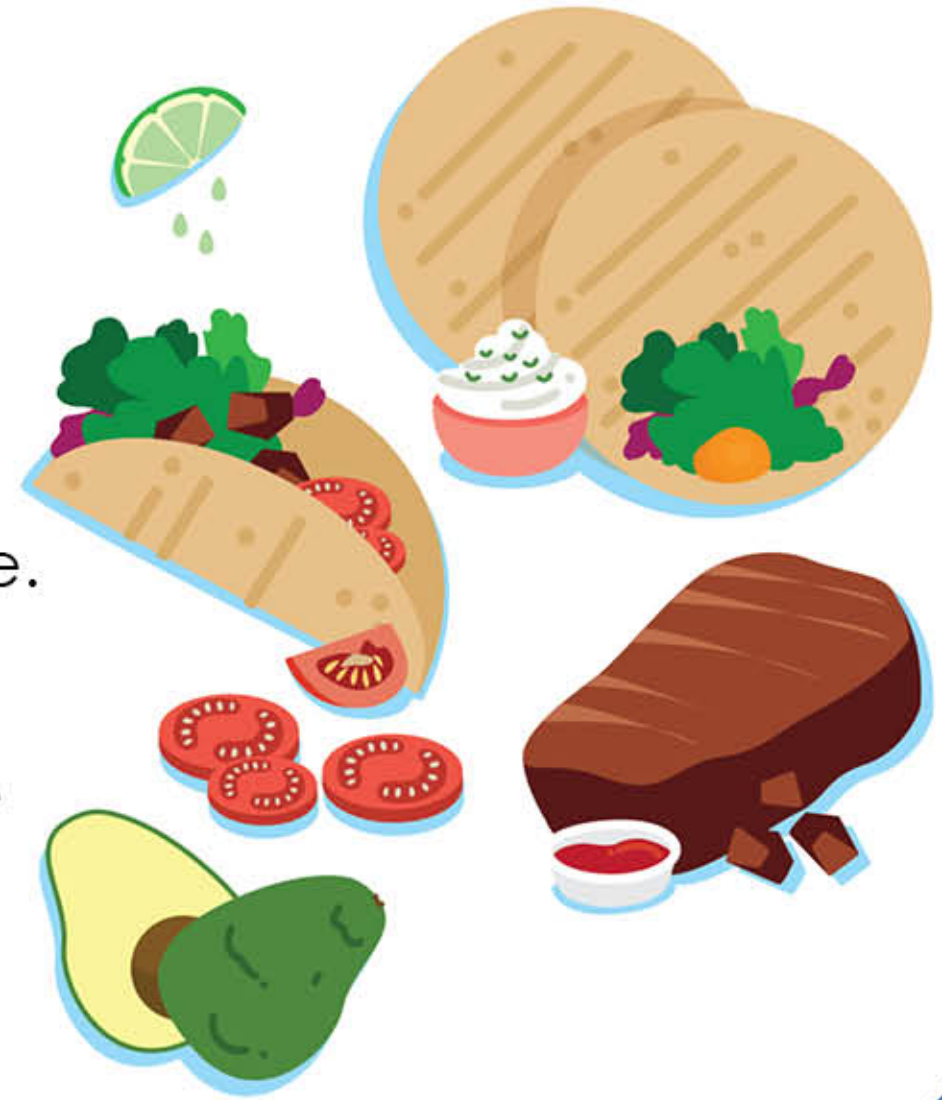

Why do you think some people like stinky tofu?

MEXICAN FOOD

Have you ever eaten a taco?

Tacos are a very famous type of Mexican food. They are made with a **tortilla**, which is filled with things like meat, cheese, vegetables, and sauce.

There are many kinds of tacos. Some people like to fill their tacos with steak. Others like to use only vegetables. Many people even like to eat fish tacos! Tacos are very popular in America. In fact, there is even a National Taco Day!
