# Halloween

Halloween is in fall.

The background of the slide is a colorful illustration of an autumn landscape. In the foreground, there are green rolling hills with a winding path. In the middle ground, there are several small houses with red roofs and white walls, surrounded by trees with autumn foliage. In the background, there are more trees and a bright yellow sky with white clouds. On the right side, there is a large branch with many leaves in shades of orange, red, and yellow. Some leaves are falling through the air. A white rectangular box with rounded corners is positioned in the upper right area, containing the word 'fall' in pink. Another white rectangular box with rounded corners is at the bottom, containing the sentence 'The leaves change colors in fall.' with 'fall' in pink. In the bottom right corner, there is a yellow star icon with the text '7/26' inside it.
