CONVERSATION

Timmy is at school. He sees his friend Sam who has just finished talking to some students.

Hi, Sam! Were you talking about the Health Club's **fundraiser**?

Yes, we were. The club will have a bike race to **raise** money to buy new equipment for the school gym. Do you want to join?

I really like biking, so I'd love to join. **When** are you going to **hold** the race?

The club decided to hold it on October 14. It will start at six in the morning.

Have you decided on the route? **Where** is the race going to start and finish?

The race is going to start here at school and will finish at the town plaza. It's a little difficult, but don't worry. There will be people along the streets to give you water.

That's great! Until when can I **register** for the race? Also, how much is the registration fee?

You can register until Friday next week. The registration fee is 15 dollars.

I see. I'm sure my mom will give me the money for your event because it's for a good purpose. I'll register as soon as possible.

Thanks, Timmy!
