Gear Shears the Sheep

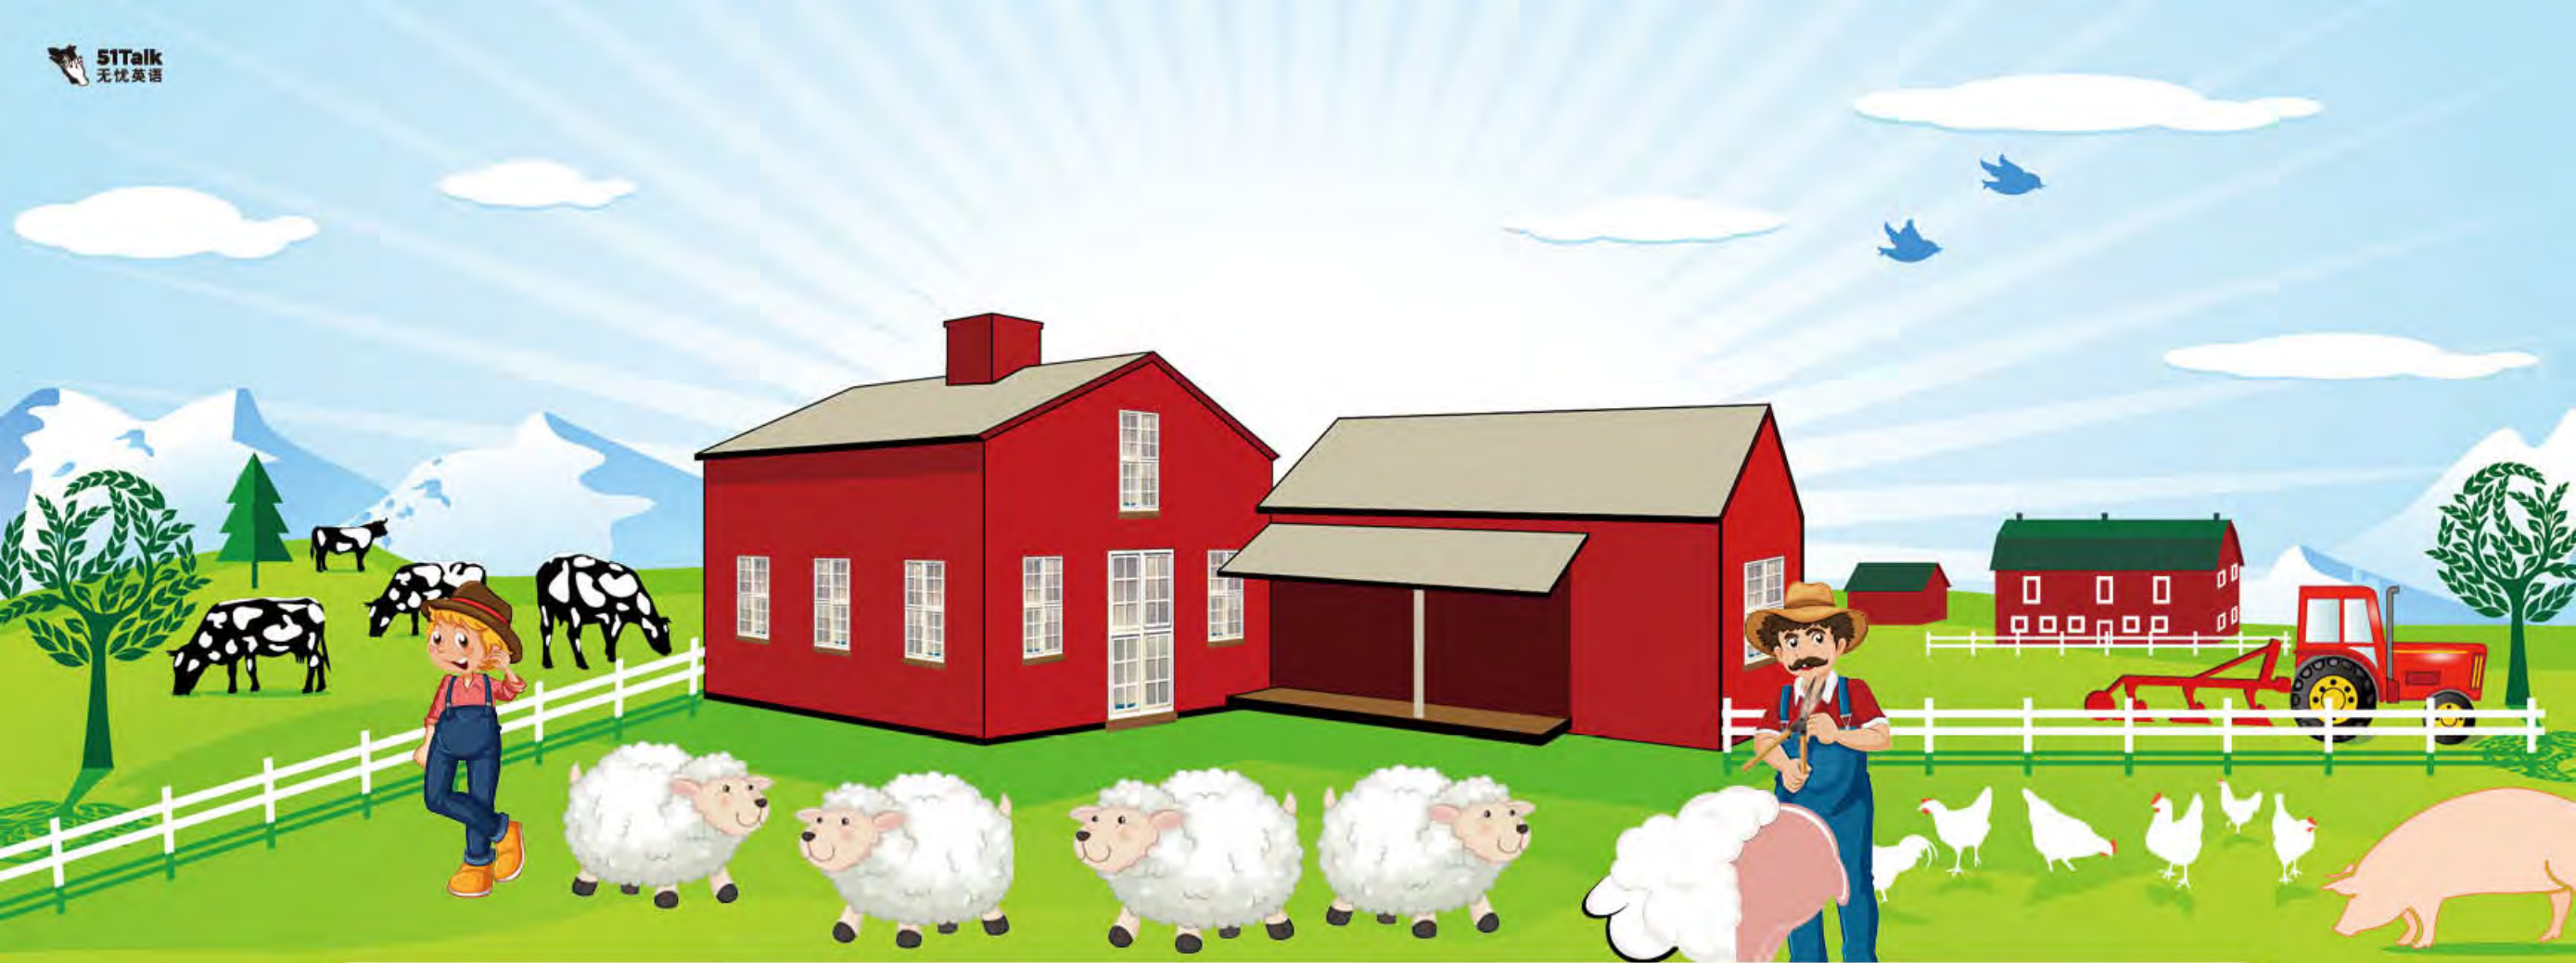

Today is a special day. Gear will shear the sheep.
He will shear the sheep at the farm near his house.

It is sunny outside so Gear smears some sun cream. The sun is hot but he has no fear. He is ready to shear.

There are many sheep to be sheared. Gear waits at the rear and plays with his ear.
“Gear!” says a man in a clear voice.

“I’m ready to shear the sheep!” says Gear after hearing his name. Gear shears a sheep in six minutes and another again. Go Gear!
