You are going to:

**review what you have learned in
Lesson 1, 2 and 3.**

Sing a Song

TWO LITTLE BLACKBIRDS

Two little blackbirds sitting on a hill.

One named Jack.

And one named Jill.

Fly away, Jack.

Fly away, Jill.

Come back, Jack.

Come back, Jill.

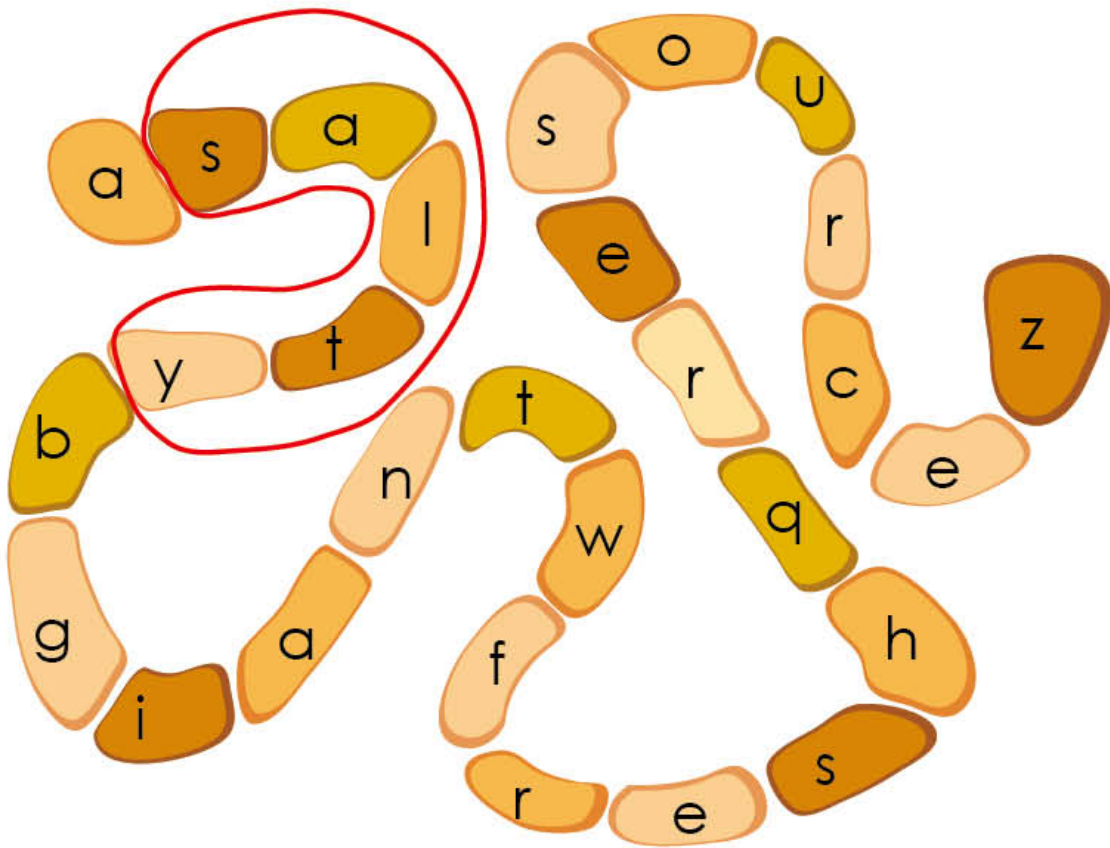

Lesson 1

Review

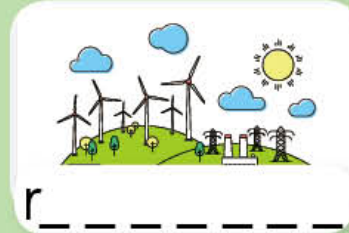

Activity

Circle the words and then make sentences.

The water in the sea is salty.

Activity

Help the animals find their food and make sentences.

beautiful

salty

new

giant

planet

water ball

water

smile

Activity

Complete and role-play.

Sam, how is Earth able to support life?

Earth is like... And... helps support life.

What kind of water can we survive on?

There is only a very small amount of... that we can...

Hints:

giant
water
fresh

Lesson 2

Review

Activity

Read the words and make sentences.

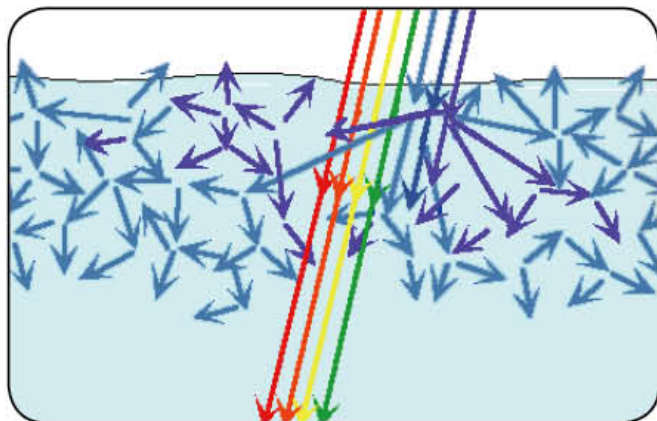

The man is trying to reach the top of the mountain.

Activity

Match the pictures with the correct sentences.

The green color we see from sunlight actually holds all the colors of the rainbow.

When sunlight passes through air, some colors are scattered.

The color red is scattered more than others because of its shorter wavelength.

The color blue gives off a blue light as it scatters.

Writing Project

Write a passage about blue light and red light.

Hints:

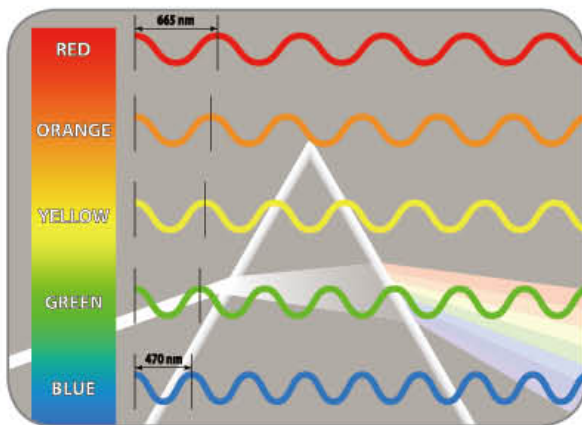

longer wavelength
shorter wavelength
is scattered more
is scattered less

blue light

- _____
- _____

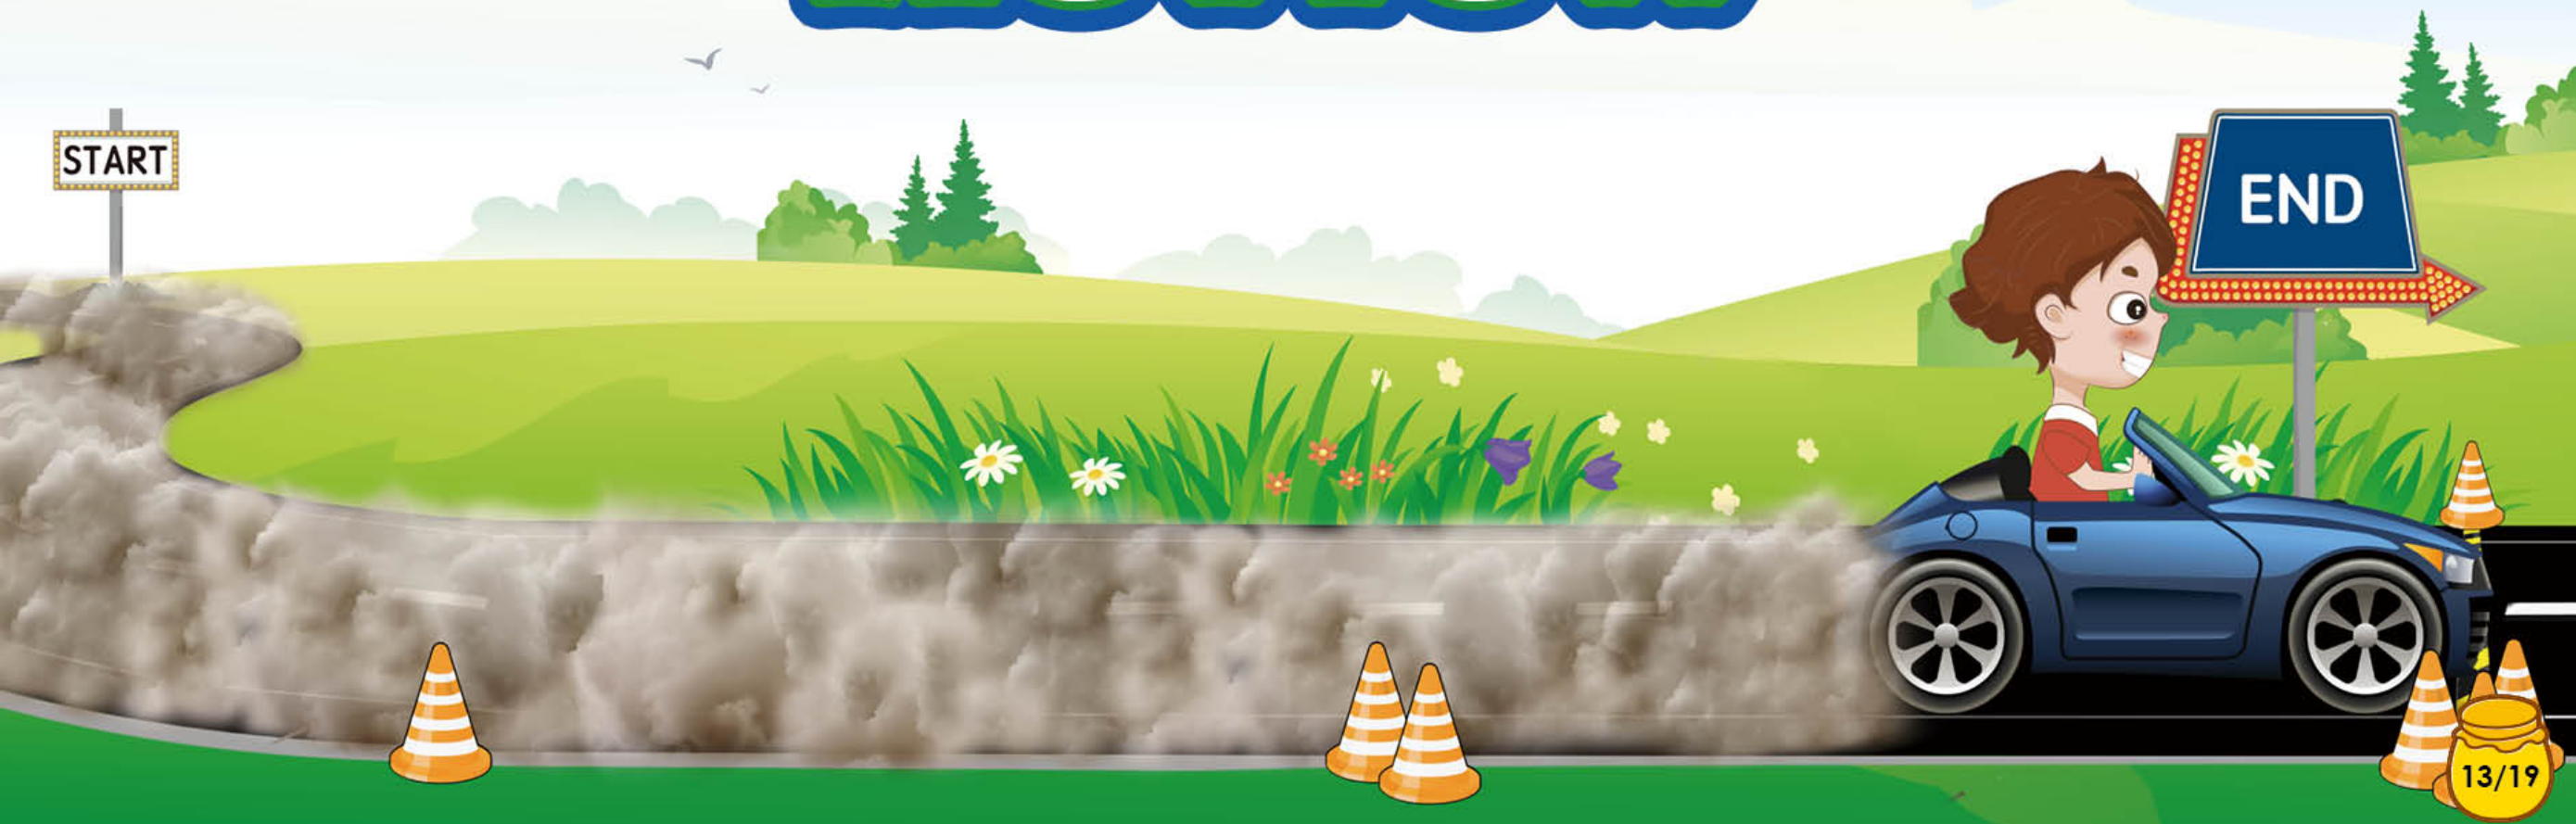

red light

- _____
- _____

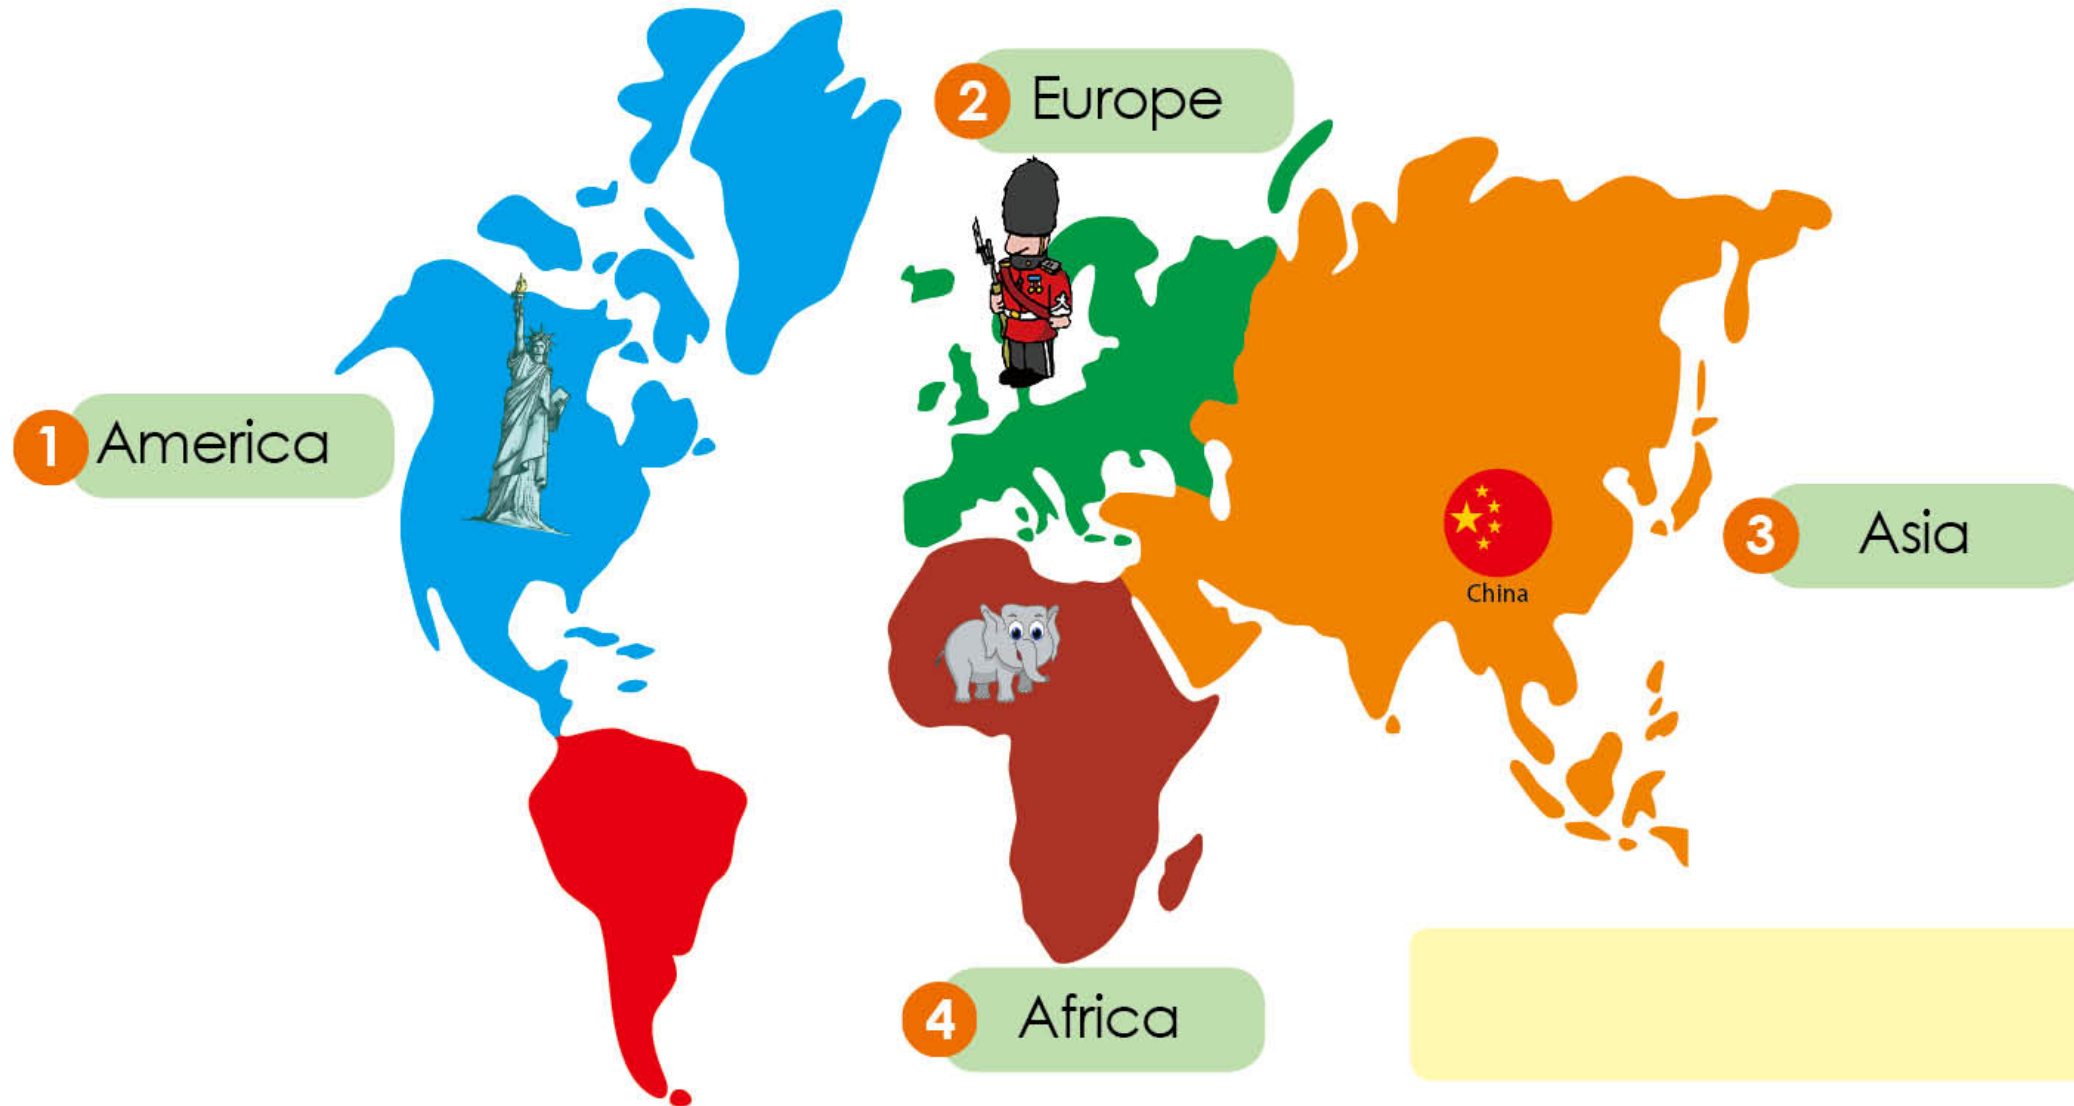

Lesson 3

Review

Activity

Read the words and make sentences.

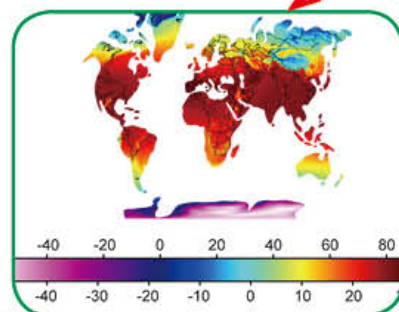

Activity

Make sentences using "... is... with..."

no deserts

hottest weather

most people

Activity

Talk to the teacher.

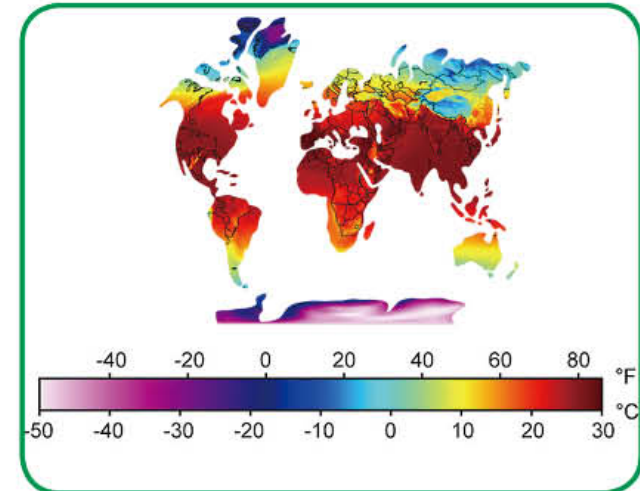

I know that Europe is the only continent with no deserts. What do you know about Asia?

Empty yellow speech bubble for student response.

How about Africa?

Empty yellow speech bubble for student response.

Today I reviewed:

Topic

Nature —

- Earth
- Why is the sky blue?
- Earth's continents

Words

giant, salty, fresh,
resource

sunlight, scatter,
give off, reach

Asia, America,
Europe, Africa

Today I reviewed:

Sentence Patterns

 **That is why** our sky
 is not red.

 Asia **is** the
 continent **with** the
most people.

Grammar

 Adjective + Noun
 e.g. Scientists are
always finding **new**
planets.

SEE YOU SOON!
