

Lesson 101

Wool

Warm-up

We've known so many things made of wool, but do you know how the wool is made? Where does it come from?

01

Knowledge Learning

Words

3'

usually

I **usually** brush my teeth twice a day.

burn

The fire was still **burning**.

come from

The students in my class **come from** all over the world.

02

Practice

Read and choose

Read about wool. Choose the right words and write them on the lines.

The wool grows (1) on (on/in) baby sheep. Farmers (2) _____ (usually/always) cut the wool off their sheep once a year. The wool grows quickly back again. The wool is great (3) _____ (but/because) you can change (4) _____ (it/its) color and it's very difficult to break or burn.

People have used wool for centuries. You can wear clothes (5) _____ (make/made) of wool on cold or warm days.

Read and choose

The wool grows (1) on (on/in) baby sheep. Farmers (2) usually (usually/always) cut the wool off their sheep once a year. The wool grows quickly back again. The wool is great (3) because (but/because) you can change (4) its (it/its) color and it's very difficult to break or burn.

People have used wool for centuries. You can wear clothes (5) made (make/made) of wool on cold or warm days.

Read and choose

And you can also use wool to make many (6) _____ (other/another) things in our homes too, likes rugs and curtains.

The country with (7) _____ (a/the) most sheep in the world is China, but in Australia there are many more sheep (8) _____ (than/then) people. In 2010, there were 100 million sheep in that country.

Read and choose

And you can also use wool to make many (6) other (other/another) things in our homes too, likes rugs and curtains.

The country with (7) the (a/the) most sheep in the world is China, but in Australia there are many more sheep (8) than (than/then) people. In 2010, there were 100 million sheep in that country.

Read and write

Read about wool. Choose the right words and write them on the lines.

The wool grows on baby sheep. Farmers usually cut the wool off their sheep once a year. The wool grows quickly back again. Wool is great because you can change its color and it's very difficult to break or burn.

People have used wool for centuries. You can wear clothes made of wool on cold or warm days. And you can also use wool to make many other things in our homes too, likes rugs and curtains.

The country with the most sheep in the world is China, but in Australia there are many more sheep than people. In 2010, there were 100 million sheep in that country.

Questions:

1. Where does wool come from?
