## **You are going to learn:**

**Topic:** Plants – My Mom's Garden

**Key words:** tulip, lily pad, Venus flytrap, sting

**Sentence pattern:** ... look like ...

# Are You Ready?

**Listen to me.**

**Look at me.**

# MY MOM'S GARDEN

Classic English Junior Level 5 - Unit 3 - Lesson 1

CONVERSATION

**WARM-UP**

Let's make a garden!  
Choose the correct pictures of items  
that you can put in your own garden.

## • LET'S PREPARE! •

## VOCABULARY

tulip

**Tulips** are my favorite flower because of their bright colors.

lily pad

Water lilies have green and round leaves called **lily pads**.

Do you think tulips are beautiful? Why or why not?

## VOCABULARY

### Venus flytrap

The **Venus flytrap** uses its leaves to catch insects.

### sting

Honeybees could **sting** us if we try to destroy their hive.

What should you do to avoid being stung by honeybees?

## SENTENCE PATTERN

We use “... **look like** ...” when someone or something has an appearance similar to someone or something else.

**Example:**

The leaves of a Valentine Hoya **look like** hearts.

**Answer the question.**

What does this insect look like?

## • LET'S TALK! •

## CONVERSATION

Cindy brings Timmy and Anna to her mom's garden.

- 1 Hey, everyone, welcome to my mom's garden. She likes to grow many special plants here.
- 2 Wow, Cindy! Your mom's garden is so big.

- 3 Ah, a bee! Let's run away! It could **sting** us.

What would you do if you saw a bee?

1

Wow, what are those flowers?  
The colors are so beautiful.  
They **look like** a sunset.

2

Those flowers are called **tulips**. Tulips can be many different colors, like red, yellow, and pink.

3

We have no time to stop and look!

What do tulips look like?

1 These **lily pads** are so big! We can jump on them to cross the pond.

2 They're big, but they're still not strong enough to hold us.

3 Let's swim to the other side!

?

Can they cross the pond by jumping on lily pads? Why?

1 Yikes, the plant just ate that bug!

2 Yes, that plant is called a **Venus flytrap**. My mom likes to grow them so that they can catch bugs in her garden.

3 I really like this plant. It saved us from the bee!

What other plants eat insects?

## • LET'S PRACTICE! •

## ACTIVITY

Use the clues below to guess the items in each box.

It's a \_\_\_\_\_.

**Clue:** It can eat insects.
