Yes. It **is the biggest** soccer competition **in the world**. Thirty-two countries play to win the **championship** and get the cup.

Sam

Wow, I didn't know that there were so many countries! Is it the most popular game in the world?

Sure, and the most exciting game in the world. Two teams of 11 players try their best to score and win. It needs lots of skill and teamwork. That's why it is so popular.

Oh, look! That player nearly scored! He kicked the ball so hard and it almost flew right into the net.

Yes, that **goalkeeper** saved the day! It was very hard to save that ball.

The goalkeeper **is the only** player **allowed to** use his hands, isn't he?

Yes, Cindy. It sounds like you really know something about the **rules** of soccer. We should play together sometime.

OK, then, I will be the goalkeeper. I can use my winter gloves!
