VOCABULARY STRATEGY

A **contraction** is a word made by removing some letters from two words and combining them. The missing letters are replaced with an apostrophe ('). Contractions are used to make some words shorter and make sentences flow better.

Examples:

she is	-	she's
do not	-	don't
they are	-	they're
they have	-	they've

Give the contracted form of the underlined words.

1. He is excited to ride a gondola and explore the city of Venice.
2. We should not wear uncomfortable shoes when climbing Table Mountain.
3. I have never been to Cape Town before.

ACTIVITY

Read the paragraph then do the activity below.

Sydney is one of the most popular cities in Australia. It is famous for the Sydney Opera House, which is a performing arts center by the Sydney Harbour. It's also home to the Sydney Harbour Bridge. The bridge allows vehicles and pedestrians to go from the city's business district to the North Shore and back. Other attractions include the Sydney Aquarium, Taronga Zoo, and Bondi Beach. The city is one of the largest in the country.

Underline then correct the wrong information in the sentences.

1. The topic of the passage is the Sydney Harbour.
2. The passage is an example of realistic fiction.

ACTIVITY

Arrange the sentences in order. Identify the main idea and key details.

- _____ At present, the building is the 5th tallest building in the United States.
- _____ During the day, people can see parts of five different states – New York, Massachusetts, Connecticut, New Jersey, and Pennsylvania – from the observation deck.
- _____ Since then, it has been featured in TV shows and movies.
- _____ It was the tallest building in the world from 1931 until 1972.
