Classic English Junior Level 4 - Unit 17 - Lesson 4

Review

Review

51Talk
无忧英语

You are going to:

review what you have learned in Lesson 1, 2 and 3.

Warm-up

What land features are these?

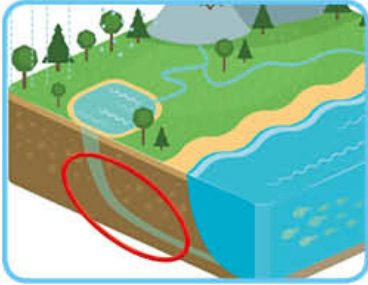

Lesson 1

Review

Activity

Match the pictures with the words and make sentences.

drinkable

ice cap

groundwater

supply

Activity

Make sentences using “come back”.

Blank space for writing a sentence using “come back”.

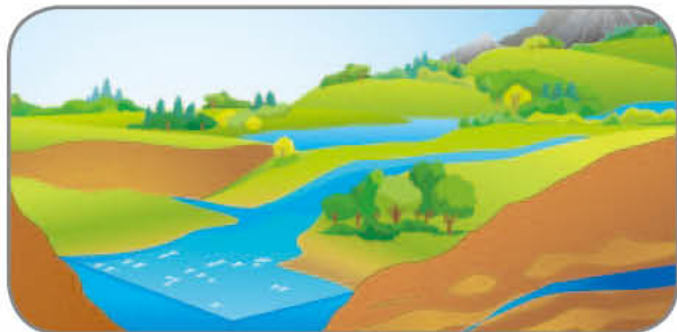

Blank space for writing a sentence using “come back”.

Activity

Talk to the teacher.

groundwater rivers lakes

Why should we save water if it already covers about 70% of the earth's surface?

Where is there a lot of fresh water?

Where else can you find fresh water?

Lesson 2

Review

Activity

Make sentences using the words.

flat

massive

feature

protection

Activity

Match the sentences with the pictures and make your own sentence using “look into”.

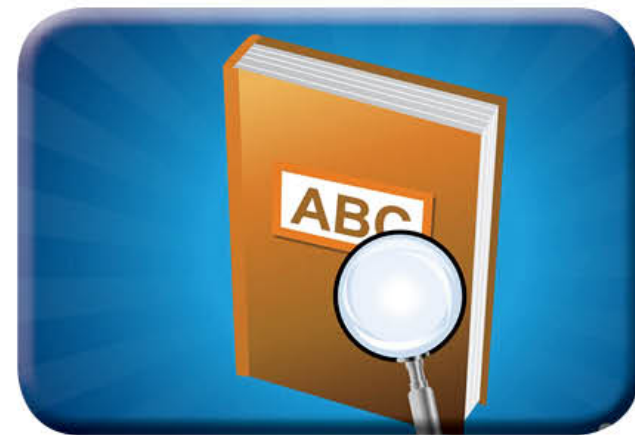

The dentist will **look into** his dental problem.

I should **look into** the real meaning of a word before using it in a sentence.

He **looks into** the details of a new report.

Activity

Read and answer the questions.

Forests can be found in both flat and hilly lands. They cover around one third of the earth's land area. They help give us our clean air, provide a home for animals, and provide people with lots of wood.

Where can you find forests?

How much of the earth's land area do they cover?

Do you think forests need protection? Why?

Activity

Write a passage about forests.

Hints: clean air home for animals

Let's talk!

Why should we protect forests?

_____.

Lesson 3

Review

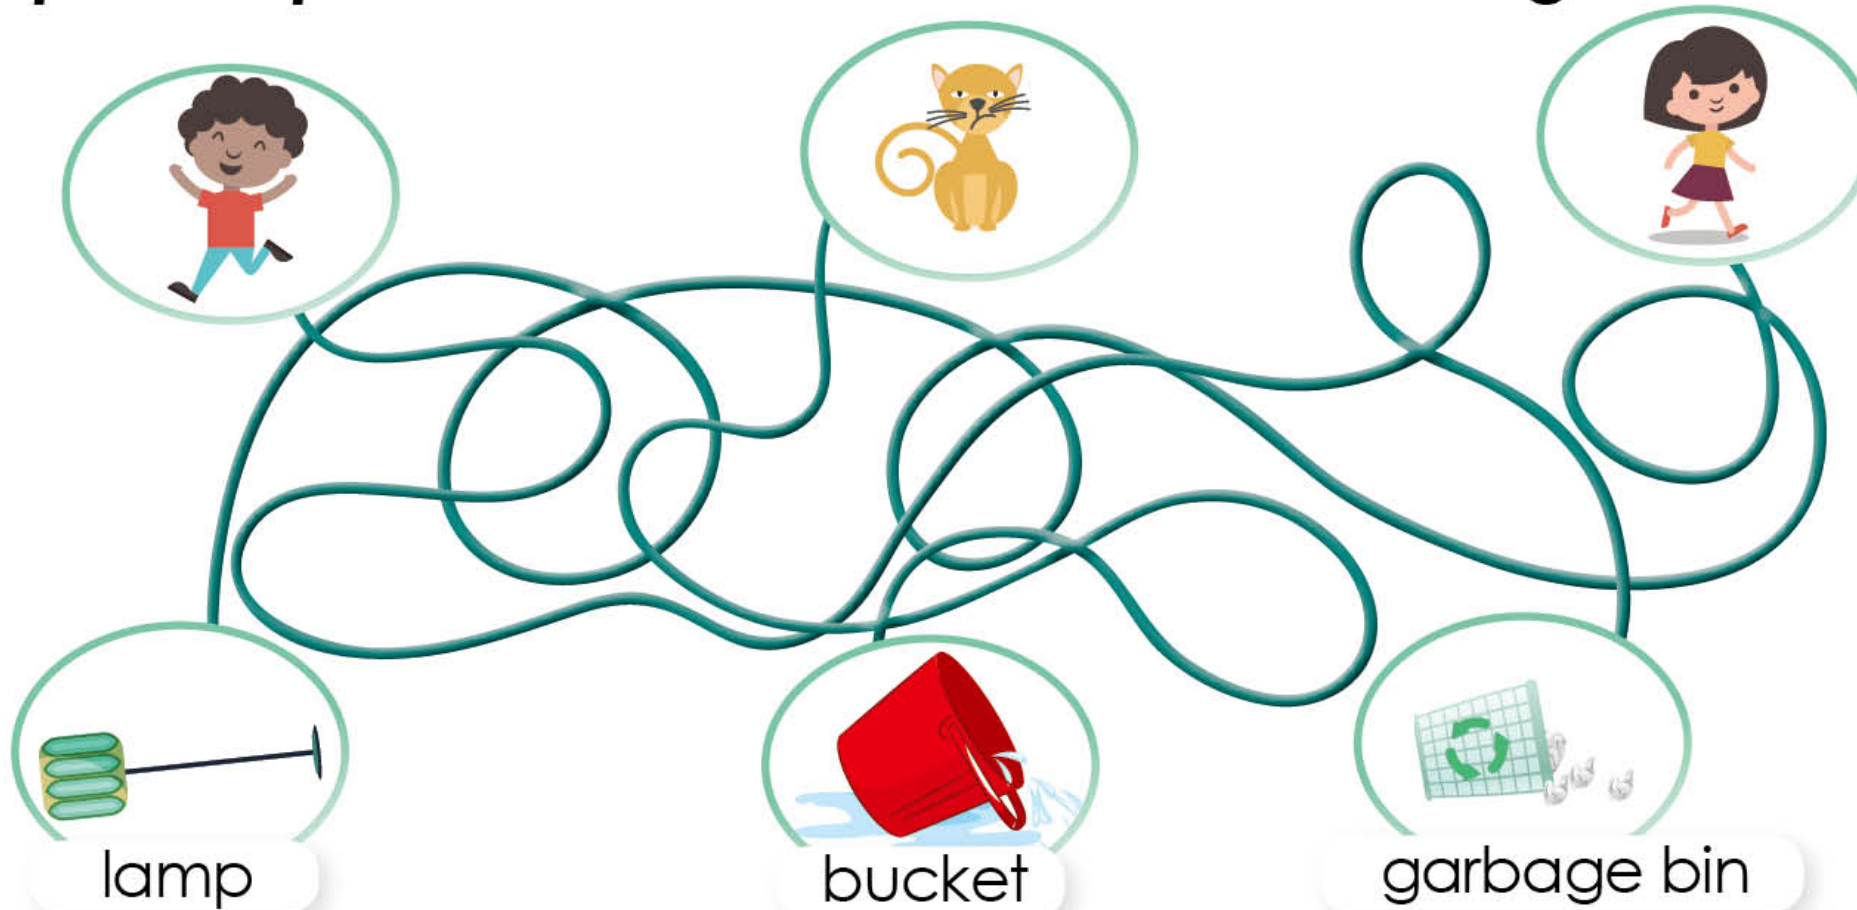

Activity

Match the words with the pictures and make sentences.

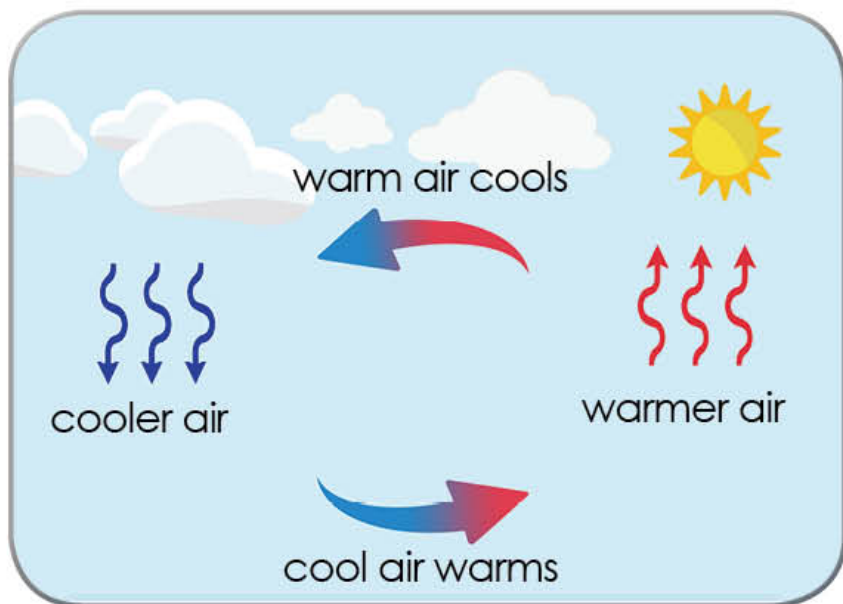

Activity

Find the paired pictures and make sentences using “knock over”.

Activity

Complete and role-play.

Look! The bad wind just...

Actually, you should blame...

No way. How can...

Air rises when...

Hints: knocked over gets heated
moves in takes its place

Today I reviewed:

Topics

Nature —

- Water on Earth
- Land features
- The wind

Words

drinkable,
groundwater,
ice cap, supply

massive, flat,
protection, feature

bin, air, move in,
naughty

Grammar

Phrasal verbs

Don't waste our fresh water supply — it takes a long time to **come back**!

The next time you go on vacation, **look into** going somewhere that has mountains, lakes, or forests.

The wind just **knocked over** the garbage bins again!

SEE YOU SOON!
