slows down

because he needs to have a rest.

What should you do if you see the sign on the road?

Let's talk!

Introduction

Timmy and Pedro are
having a bike race.

Pedro

Wow, nice bike! How many gears does it have?

Eight! Do you want to see how fast it goes? Let me show you. Let's go!

Timmy

Wait! Don't you need to wear your **helmet**?

Oh, thanks! But I don't really need it! It's just a short ride. Come on! I'm going...

Slow down! You're riding too fast! It's dangerous!

Hurry up, Pedro! I'll wait for you at the **intersection!**

Grammar

Phrasal verb: slow down

"Slow down" means to reduce speed.
e.g. The road was slippery, so Mr. Ben slowed down.

Pedro

Gosh, Timmy. Are you OK?
Look at the **bump** on your
head.

Timmy

Oh, my head... I feel dizzy.

Pedro

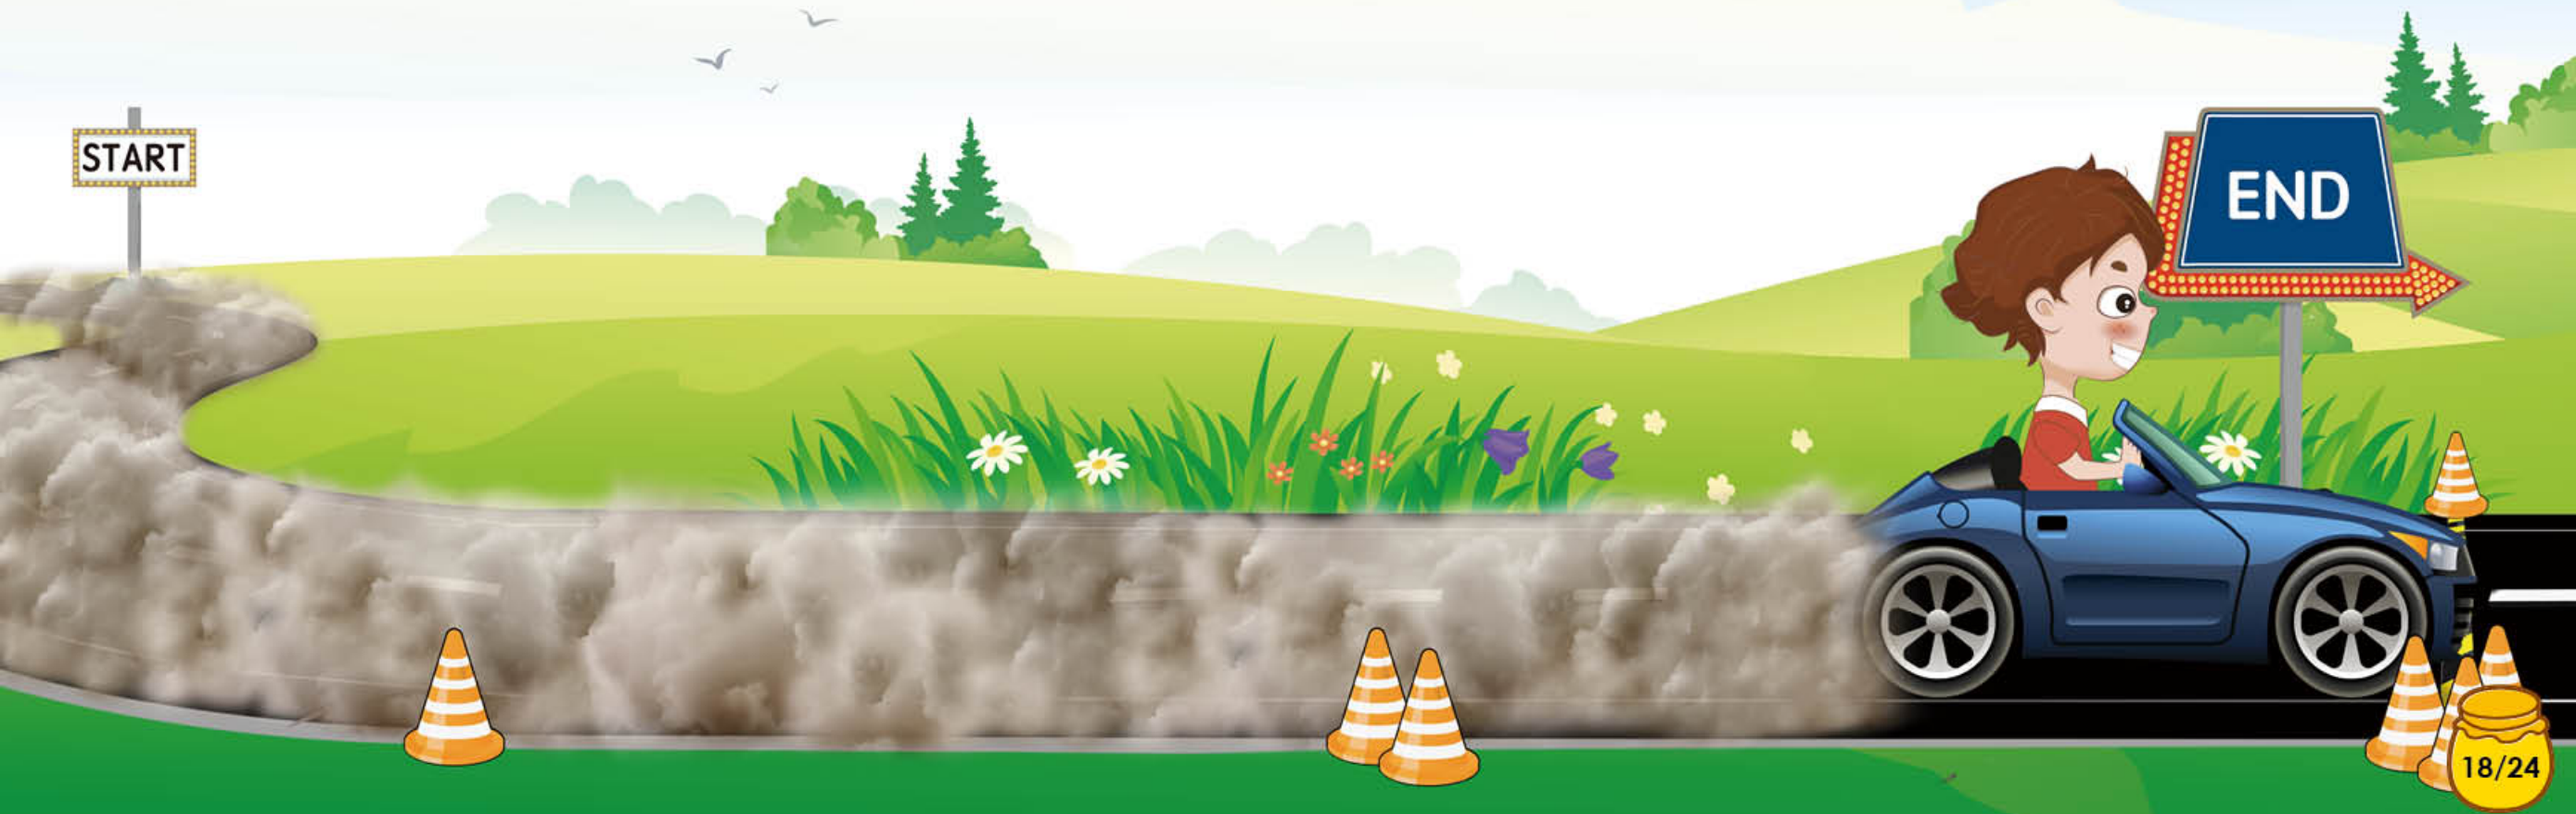

Next time, wear your bike helmet and slow down at the intersection. OK?

OK. Thanks, Pedro. From now on: Safety first!

Timmy

Let's practice!
