Review

You are going to:

**review what you have learned in
Lesson 1, 2 and 3.**

Warm-up

Which kind of weather do you like best? Why?

snowy

windy

rainy

sunny

Lesson 1

Review

Activity

Look at the pictures and make sentences using the words.

1

bloom

In spring, the flowers bloom.

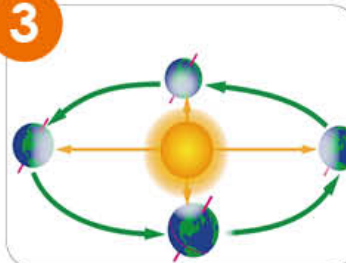

2

covered with

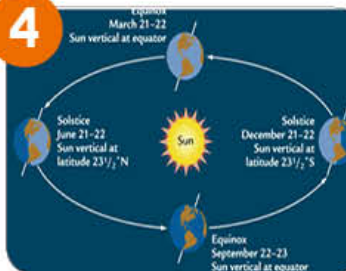

3

orbit

4

cause

Activity

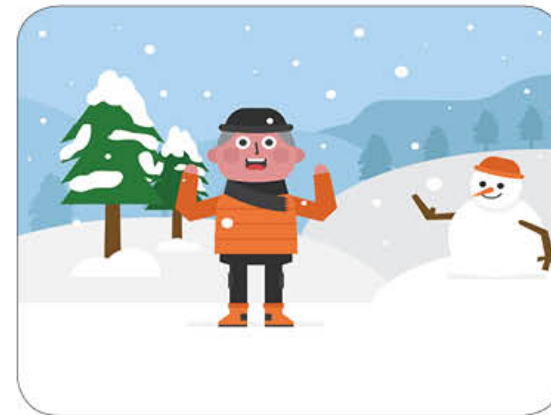

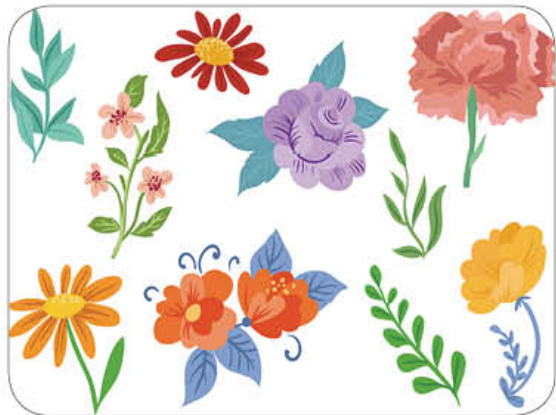

Look at the pictures and talk to your teacher.

What do you like/love about the seasons?

Hints
snow
bloom
leaves
long and hot

Activity

Complete and role-play.

Which is your favorite season?

My favorite season is... I love...

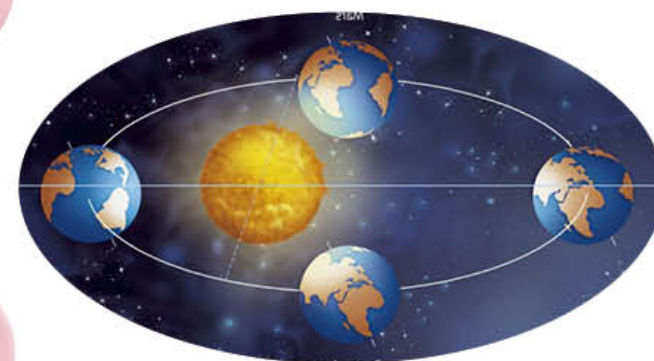

Well, what about...

Do you know why the seasons change?

It's because...

Lesson 2

Review

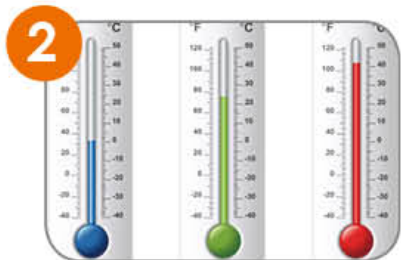

Activity

Look at the pictures and make sentences using the words.

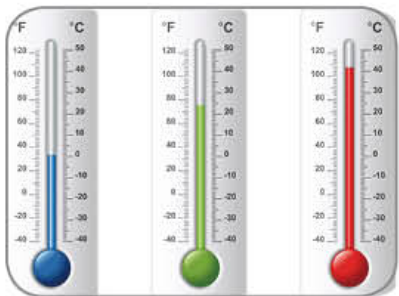

The **temperature** is high today.

Hints:
degree
territory
temperature
thermometer

Activity

Look at the pictures and answer the questions.

What do people use to measure the temperature?

(-63°C)

What do most countries measure the temperature in?

(134°F / 56.7°C)

What is the lowest recorded temperature in Canada and the highest recorded temperature in America?

Writing Project

Answer the questions and write a passage about the extreme temperatures in Russia.

Hints: minus, degrees, Celsius

Let's talk!

What were the lowest and highest temperatures recorded in Russia?
Where were they?

Lesson 3

Review

Activity

Look at the pictures and make sentences using the words.

1

blizzard

2

condition

3

snowstorm

4

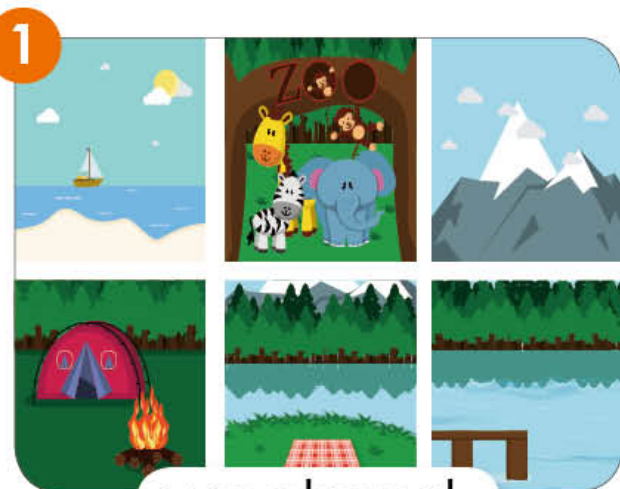

subway

Activity

Look at the pictures and make sentences using the sentence pattern.

weekend

summer holiday

Christmas holiday

New Year holiday

What shall we do with our weekend?

Let's go to the zoo and see the animals.

Activity

Complete and role-play.

There is a terrible snowstorm outside today. Your school just called and said today is a snow day.

Cool...

Snow days may be good for students and teachers, but think about the people who have to clean the roads.

Sorry, I guess...

So what shall we do with our snow day?

Let's...

Today I reviewed:

Topics

Weather and climate —

- The four seasons
- Extreme temperatures
- Snow day!

Words

-  bloom, covered with, orbit, cause
-  temperature, thermometer, degree, territory
-  blizzard, condition, snowstorm, subway

Sentence Patterns

I like seeing the leaves in fall, and also the long, hot days in summer.

The lowest recorded temperature in Yukon **was** minus 63 degrees Celsius (-63°C)!

What shall we do with our snow day?

SEE YOU SOON!
