# Let's read!

A **statue** is an image of a person or animal that is made out of stone or metal. There are some very famous statues around the world. One of the oldest statues in the world is the Great Sphinx.

What is a statue?

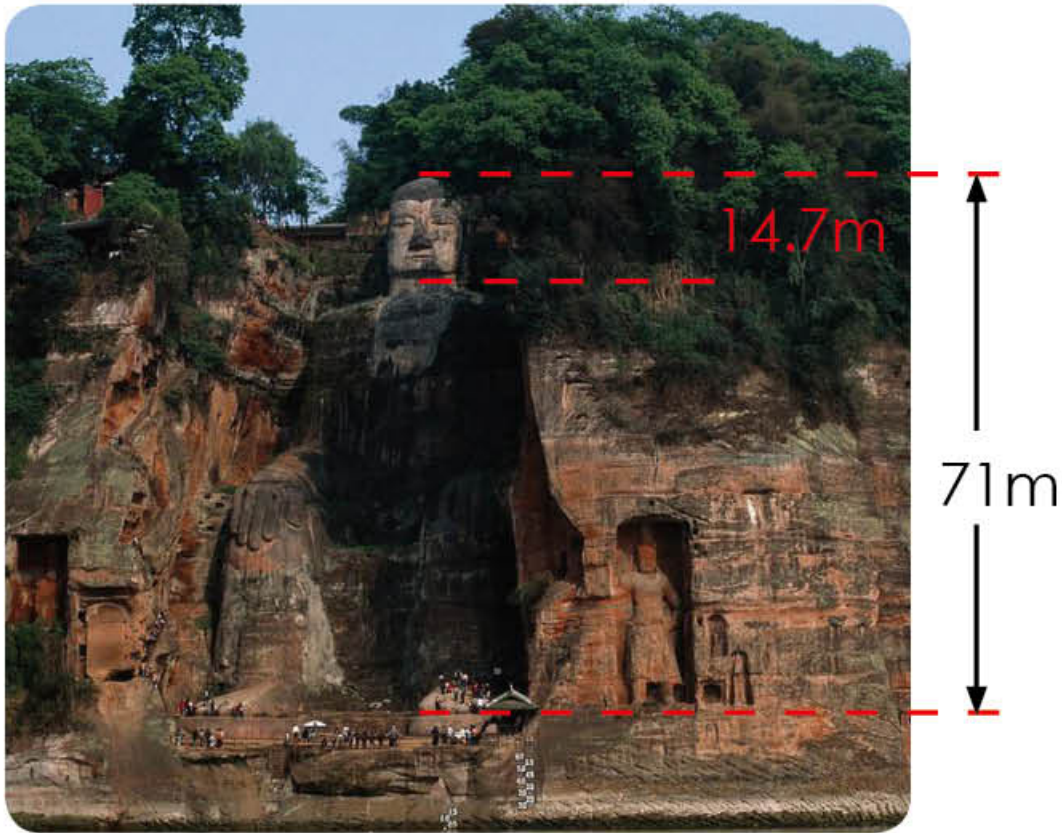

The word “Sphinx” is pronounced /sfinks/. It is a mythical creature with a lion’s body and a human head. The face of the Sphinx is believed to represent Pharaoh (a ruler of ancient Egypt). The Sphinx faces east, in the **direction** of the rising sun.

What does the Great Sphinx look like?

The most famous statue in China must be the Leshan Giant Buddha. It has over one thousand years of history. It is 71 meters high, with the head being 14.7 meters in height. The ears **are** 7 meters **in height**, which is even taller than a giraffe.

What is the height of the Leshan Giant Buddha?

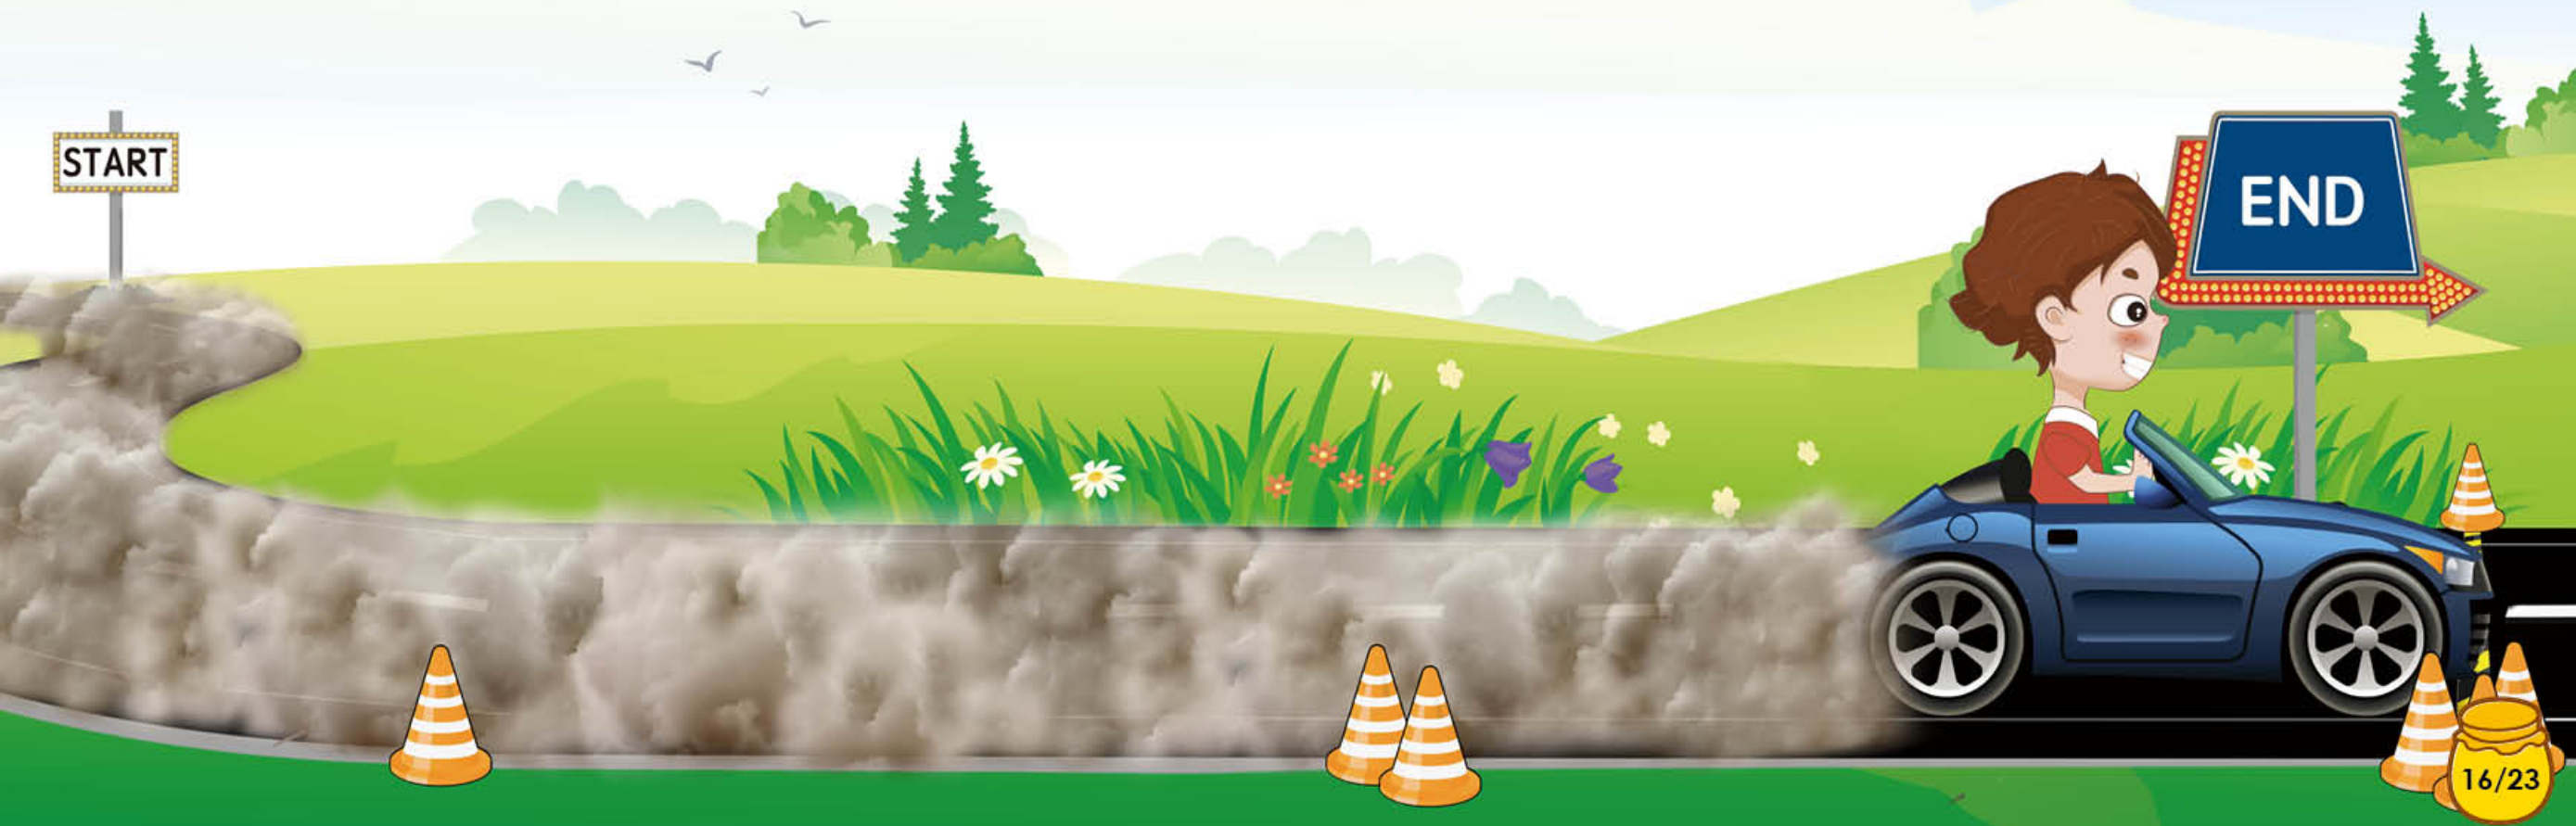

The statue is **carved** out of a cliff. So when you look at it, it looks like a Buddha is sitting and leaning back on the mountain.
