Dressing for a Wedding

We are going to learn how to dress for a wedding.

**Warm-up****2** min

Have you ever attended a wedding?

What did you wear to the last wedding that you attended?

**Reading****3** min

Read with the teacher and then answer the question below.

A wedding is an important ceremony.
Dressing **appropriately** is a way to show respect to the host.

Why should we dress appropriately for a wedding?

To be continued... >>

Reading 4 min

Read with the teacher and then move to the Word Focus.

Being a child is not an excuse. Even children are old enough to dress in a **formal** way, like your parents. Besides, you can always **rely** on your parents to help you choose what to wear.

Word Focus

- The people in the picture are dressed in a **formal** way.
- Do you have any **formal** clothes?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

A boy should wear a suit, tie, and **dress shoes**.

For a girl, a nice dress and wedding shoes are good choices.

Do you have dress shoes?

To be continued... >>

**Reading** **4** min

Read with the teacher and then answer the question below.

Remember not to wear white like the bride. The bride should **stand out** on her wedding day. Anybody wearing white will **draw attention** away from her.

Why shouldn't people attending a wedding wear white?

Let's practice. >>

**Task****4**

min
