Practice

Story time!

My cousins are called Sophia and Robert. Sophia is eleven and Robert is twelve. They both have got big rucksacks. Inside the rucksacks they put things like plates, food, a blanket, a hat and a map. They need their rucksacks because Sophia and Robert like going for walks and having picnics on the farm.

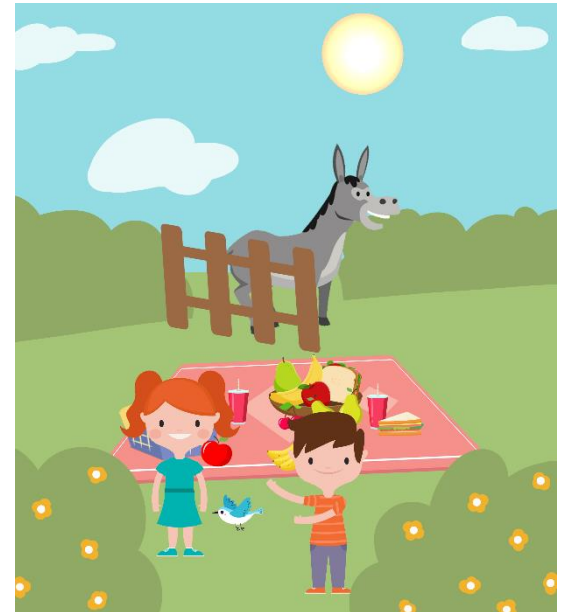

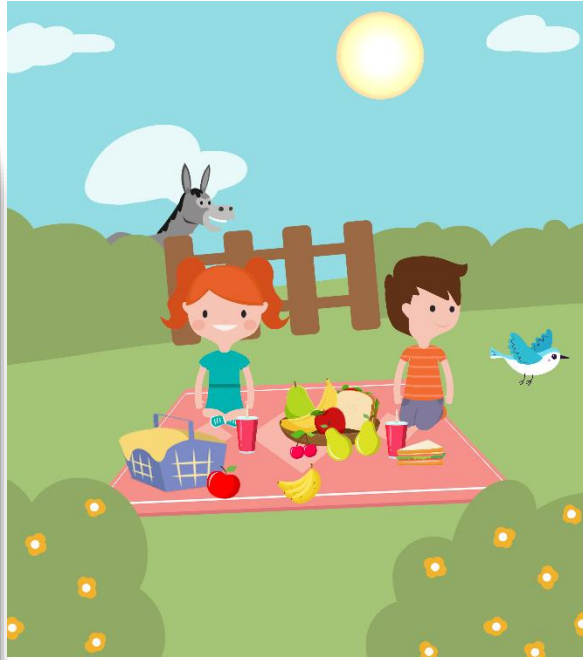

Story time!

Last Sunday they put rucksacks on their backs and began walking. The weather was warm and sunny with only a few clouds in the sky. When they got to the farmer's field, they sat down on the blanket and started eating. They didn't see the donkey behind the gate.

Suddenly, Robert saw a beautiful bird. The bird was blue and white! Robert jumped up to look at it. Sophia got up too. The donkey opened the gate with its nose.

Story time!

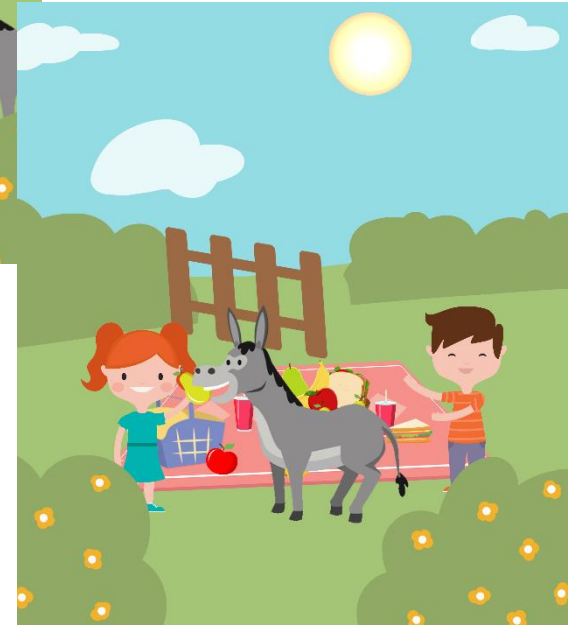

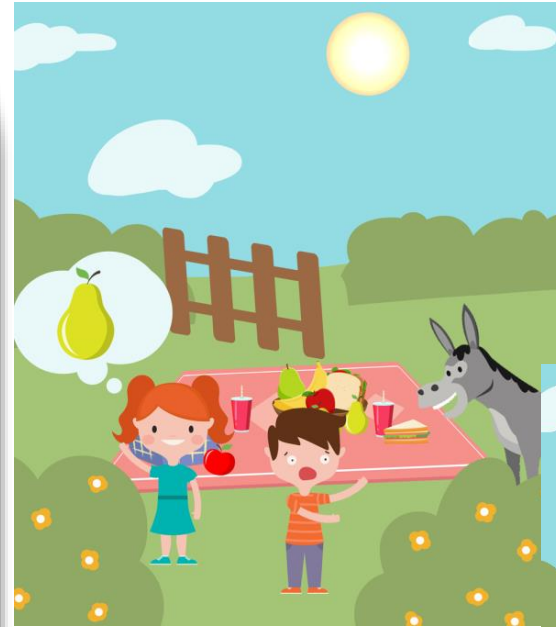

The donkey looked at the children's food. It wanted to eat their sandwiches! Robert was very angry and he was very afraid too.

'Don't worry, Robert!' Sophia said. Sophia picked up some of their pears and gave them to the donkey. The donkey loved the pears. Robert laughed.

'That was a really good idea!' he said. 'Let's look for that bird again.'

'OK!' said Sophia. 'But I think that we should put the sandwiches back in your rucksack first.'

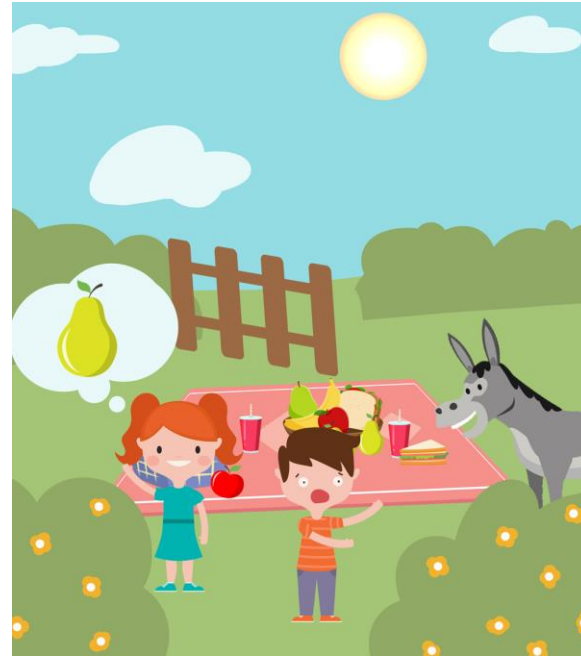

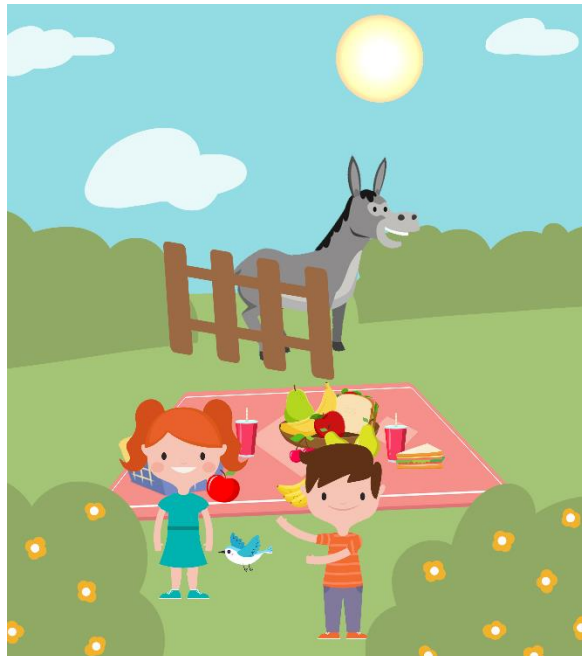

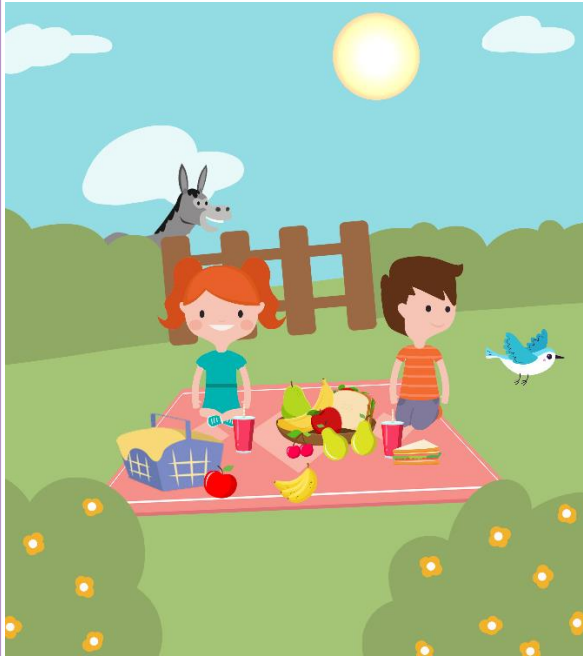

Tell the story!
