lit · tle

Which one is a little dog?

Let's read!

Once upon a time, there was a little bear. It was her first winter and her family had to stay at home. But then **spring** came...

Why did the little bear and her family have to stay at home?

Did the bear like spring?

The little bear was so happy to see her first spring! She could feel the weather getting warmer. The lake **near** her home began to change from ice to water. Spring is such a **beautiful** time! "I can go **swimming**!" she shouted.

Grammar

Preposition (near)

Near means close to, not far from.
e.g. The Great Wall is near Beijing.

All the flowers began to bloom. The plants and trees began to grow too, which meant her family could find more food.

When do plants grow and flowers bloom?

Many other animals began to go outside to find food. The **little** bear greeted every one of them and made many new friends.

What did the bear do when she saw the other animals?

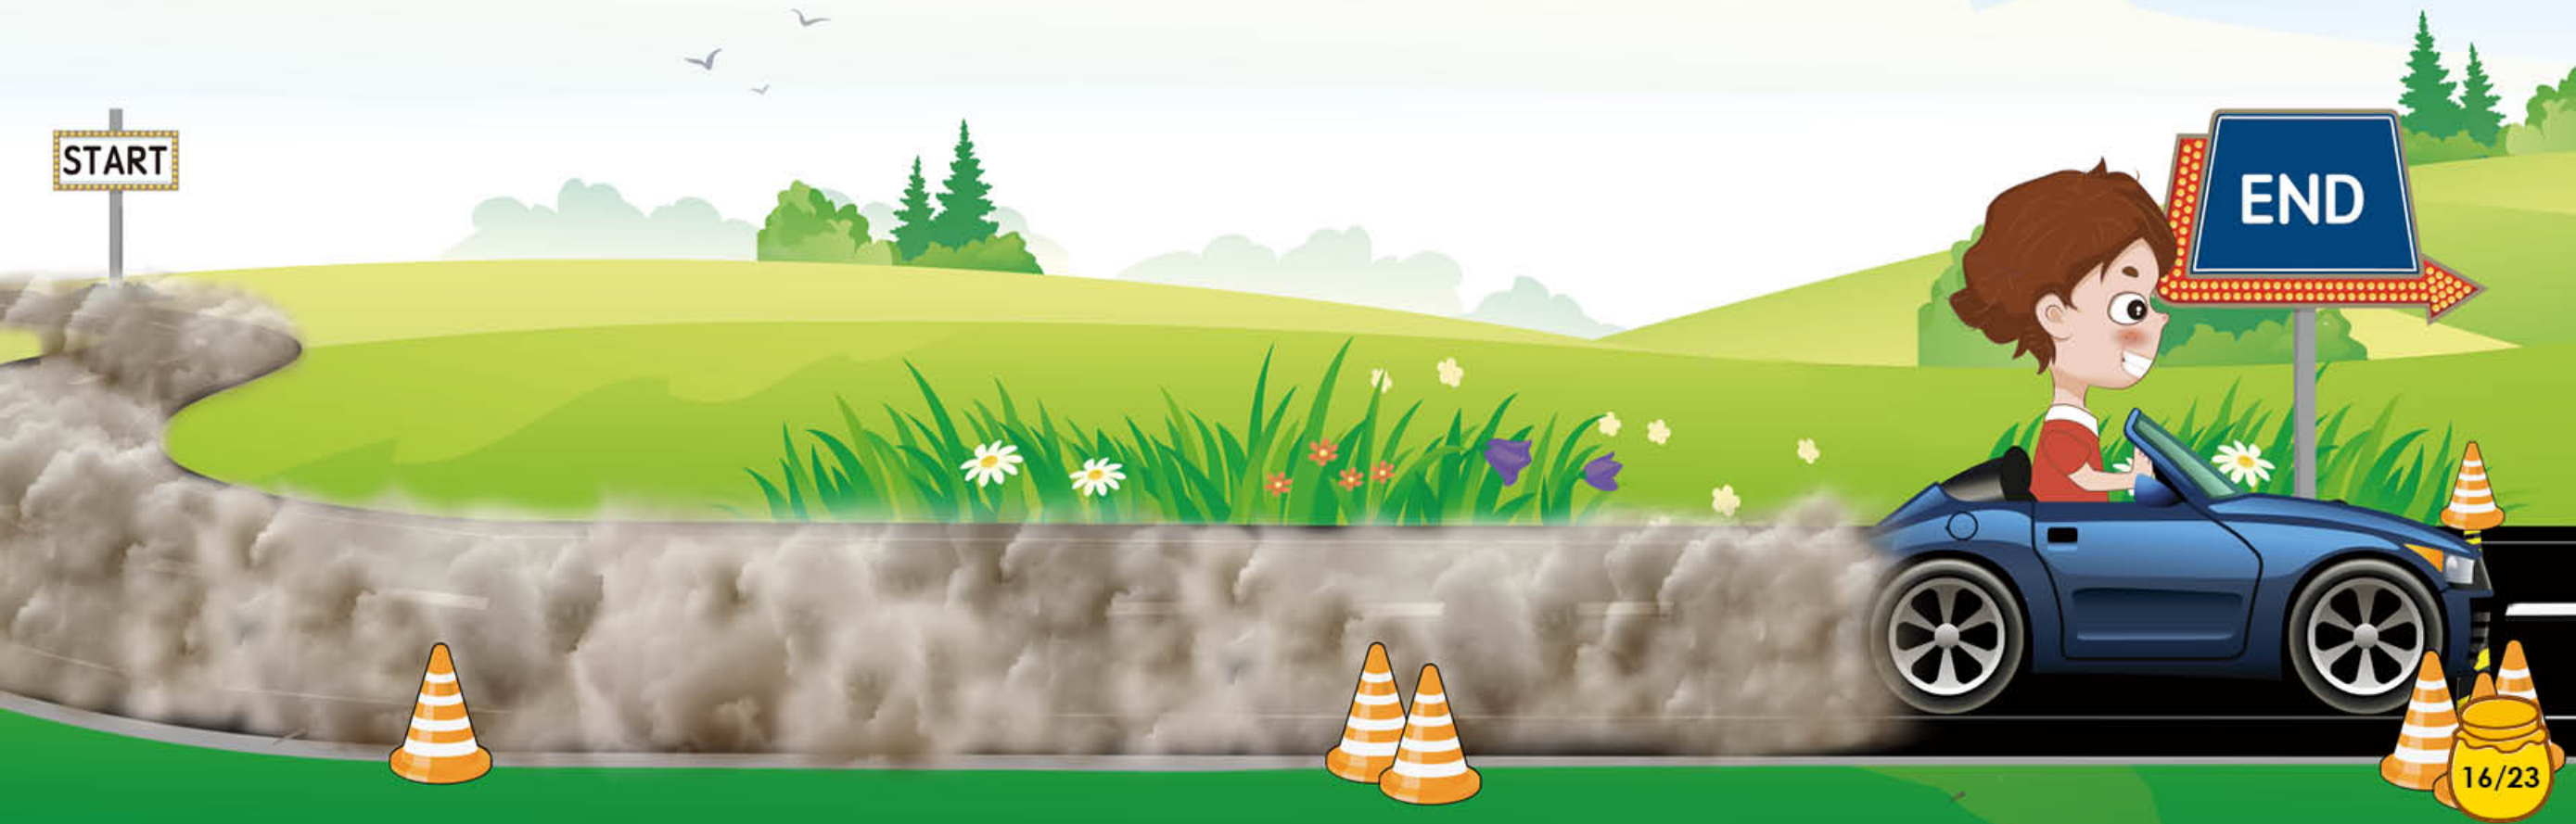

The next day, the little bear and her new friends swam in the lake and picked fruit from the trees. And at night they had a great dinner!

What did the little bear and her new friends eat for dinner?

Let's practice!
