# Introduction

Emma wants to travel to Alaska when she grows up. She is telling her dream to her mom.

Emma

Mom, I will travel to Alaska when I grow up.

That's a good idea, sweetie, and can I know the reason why?

Mom

Emma

Because I love snow, and Eskimos live there. Eskimos are snowmen.

Ah, I see! However, Eskimos live in places that are covered in snow; I **hope** you won't be frozen!

I will keep myself warm. And I heard it's not very cold if you live in an **igloo**.

Oh sorry, sweetie! Eskimos live in normal houses now. And they didn't only use to live in igloos. They also lived in **wooden** houses, and sometimes even houses made of animal **skin**.

Mom

Emma

Skin houses? That sounds interesting! But now I'm sad. Nobody lives in igloos any more...

Oh, don't be sad, sweetie. We can see lots of igloos at the Culture Museum. Let's go tomorrow!

Mom

Thanks, Mom! I **will** dream about Eskimos all night!
