GRAMMAR

How to form the **present continuous tense** of the verb:

Subject + (am, is, are) + base verb + -ing

I

am

walking.

He

is

writing an email.

We make the present continuous tense by adding *-ing* to the verb:

watch + -ing = watching

We are *watching* TV.

GRAMMAR

If the base verb ends in e, we drop the e and add *-ing*:

come + -ing = coming

come → coming

She is *coming* to the party.

If the base verb ends in consonant-vowel-consonant, double the last letter and add *-ing*:

swim + -ing = swimming

swim → swimming

I'm *swimming* in the ocean.

Use the correct tense verbs to complete the sentences.
