Let's read!

Hello, everyone! Let's take a look at the weather report for around the country today. Is it hot or cold, **wet** or **dry**?

What can the weather report tell?

In the North, the wind is blowing very heavily. Some people are seeing sandstorms and more and more **orange** dust is falling to the ground.

What's the weather like in the North?

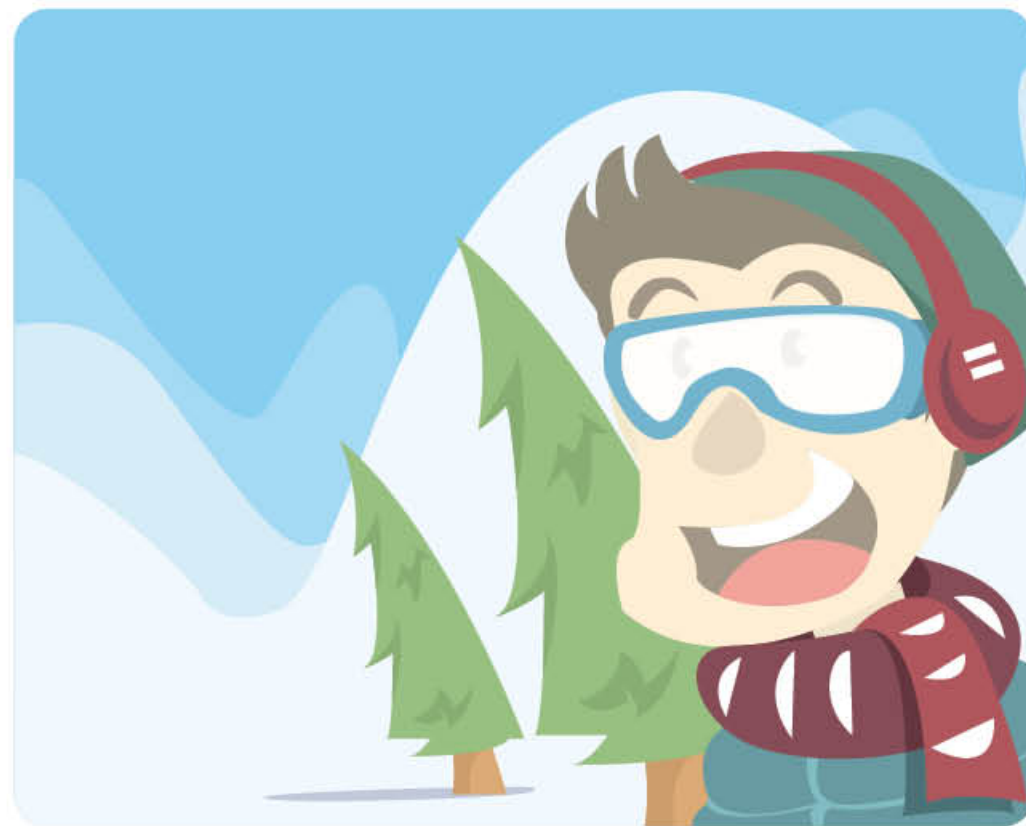

In the South, it is very cloudy and it is raining a lot. In some places, people are also seeing thunderstorms. Please stay safe and **keep away from** the lightning!

What should you do when there is lightning?

In the East, it is getting much colder, so please wrap up warm! There is also lots of fog. It is snowing in some places, so I hope you are all driving **carefully**!

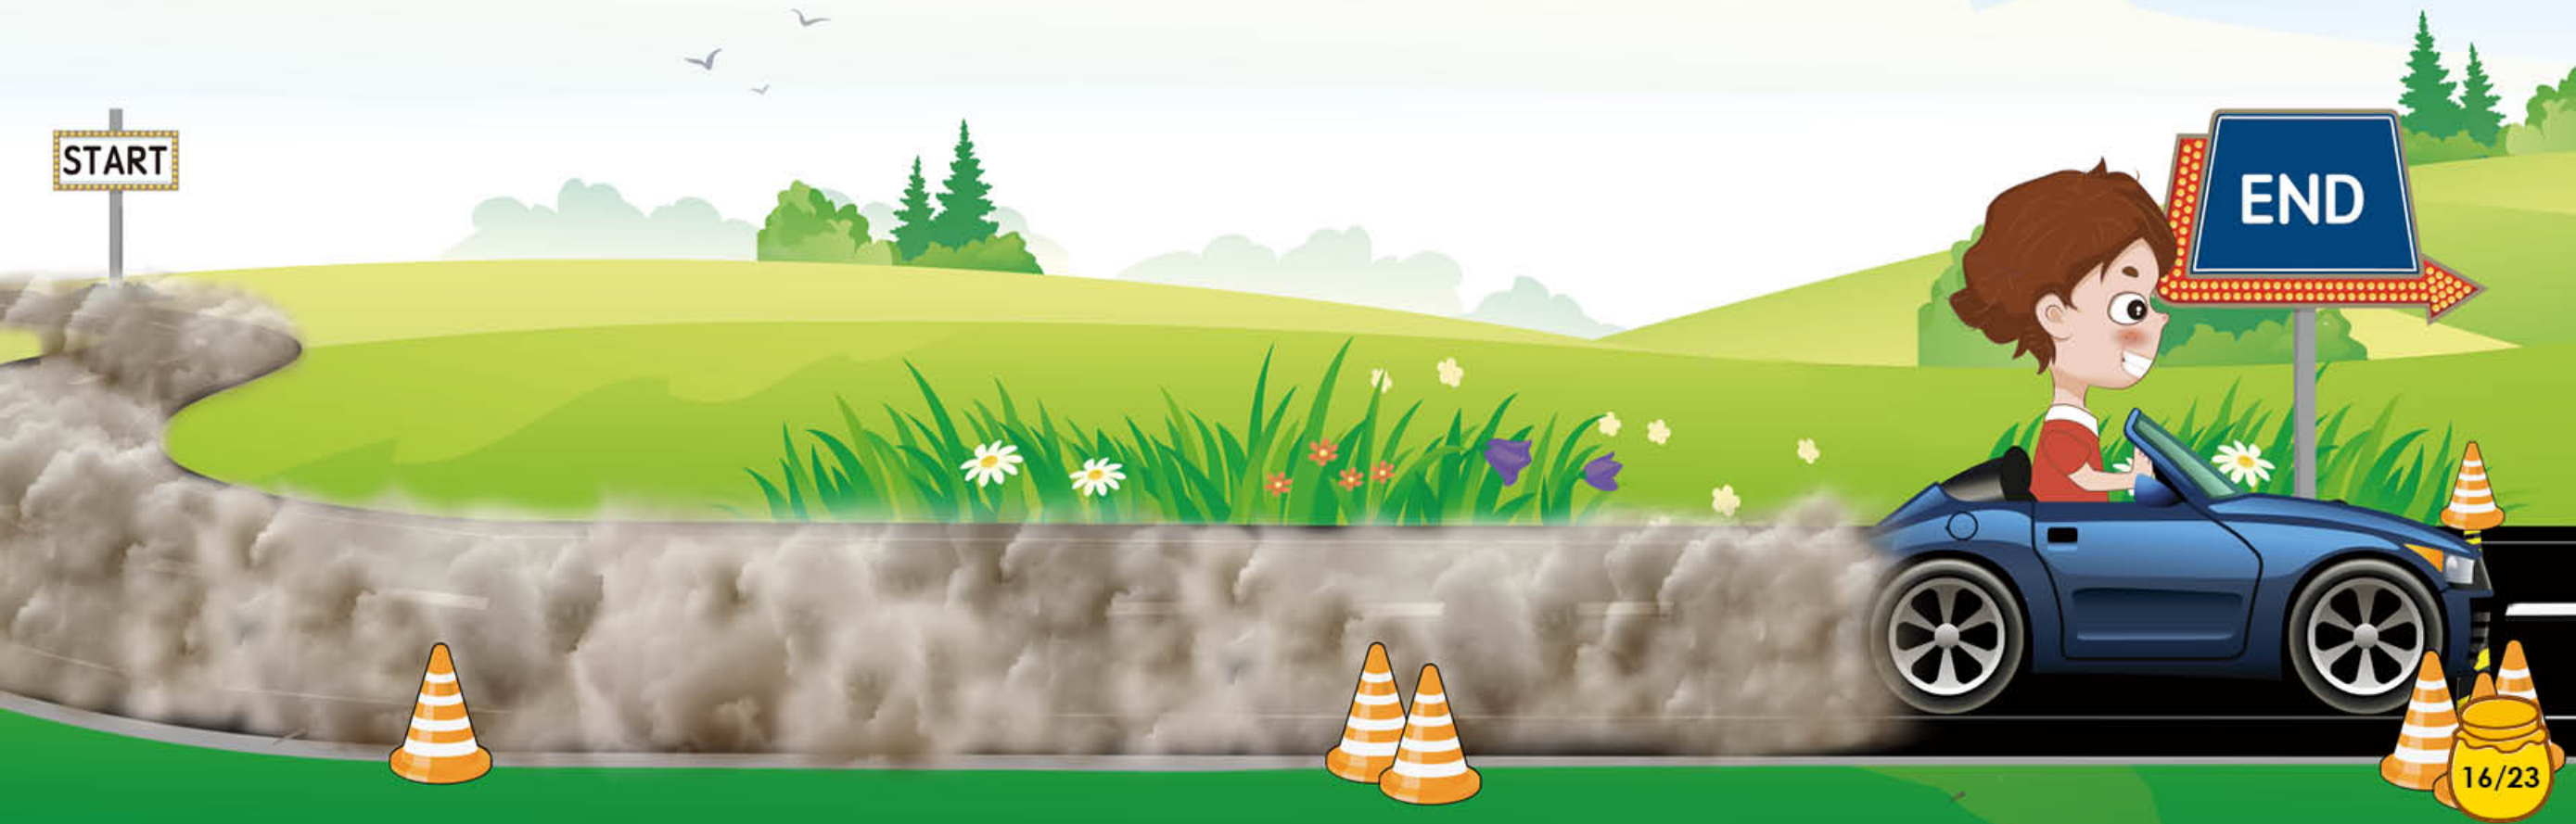

What's the weather like in the East?

In the West, the weather is always the best! The sun is shining and it is getting warmer every day. So get out there and start enjoying the weather!

What does the weather report suggest people in the West do?
