May's Birthday

Today is May's birthday. She is eight years old. Her birthday is in May, so her parents named her May.

May is very happy on her birthday. Her friends come to her party. “Happy birthday!” they all say.

May's mom has a birthday cake. She will light the candles and put it on the tray.

May's gray cat, Clay, tries to play with the cake.
 "Cats can't eat cake, Clay. Go away!" shouts May.
