# Let's read!

**Mouse and Turtle heard there was a fair in the next village. They wanted to find the fair by themselves.**

What did Mouse and Turtle hear?

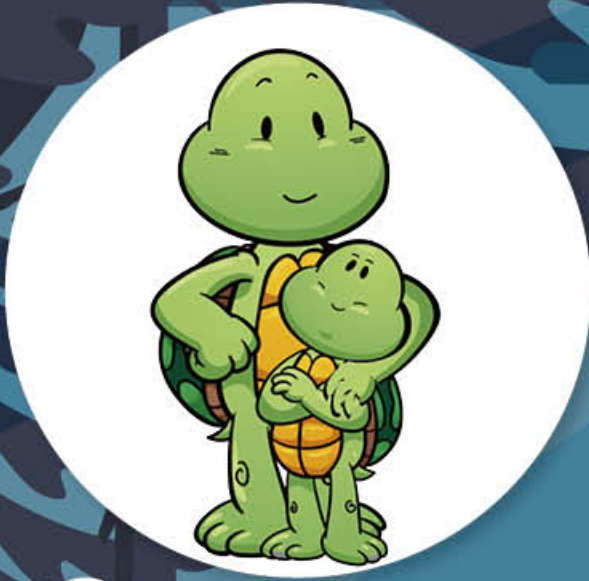

However, their moms thought they were too young to go by themselves. So, one day, Mouse and Turtle sneaked away from home and started their **adventure**.

What did Mouse and Turtle do when their moms didn't let them go out?

Shortly after beginning their adventure, night fell and the temperature went down. Mouse started to feel the coldness. Turtle started to **miss** his mom's hugs and **kisses**.

What did Turtle start to miss?

A sudden sound from the bushes scared them. Mouse started to **shake** and Turtle cried behind a tree. "How nice if Dad were with us! He could protect us," said Mouse.

What scared Mouse and Turtle?

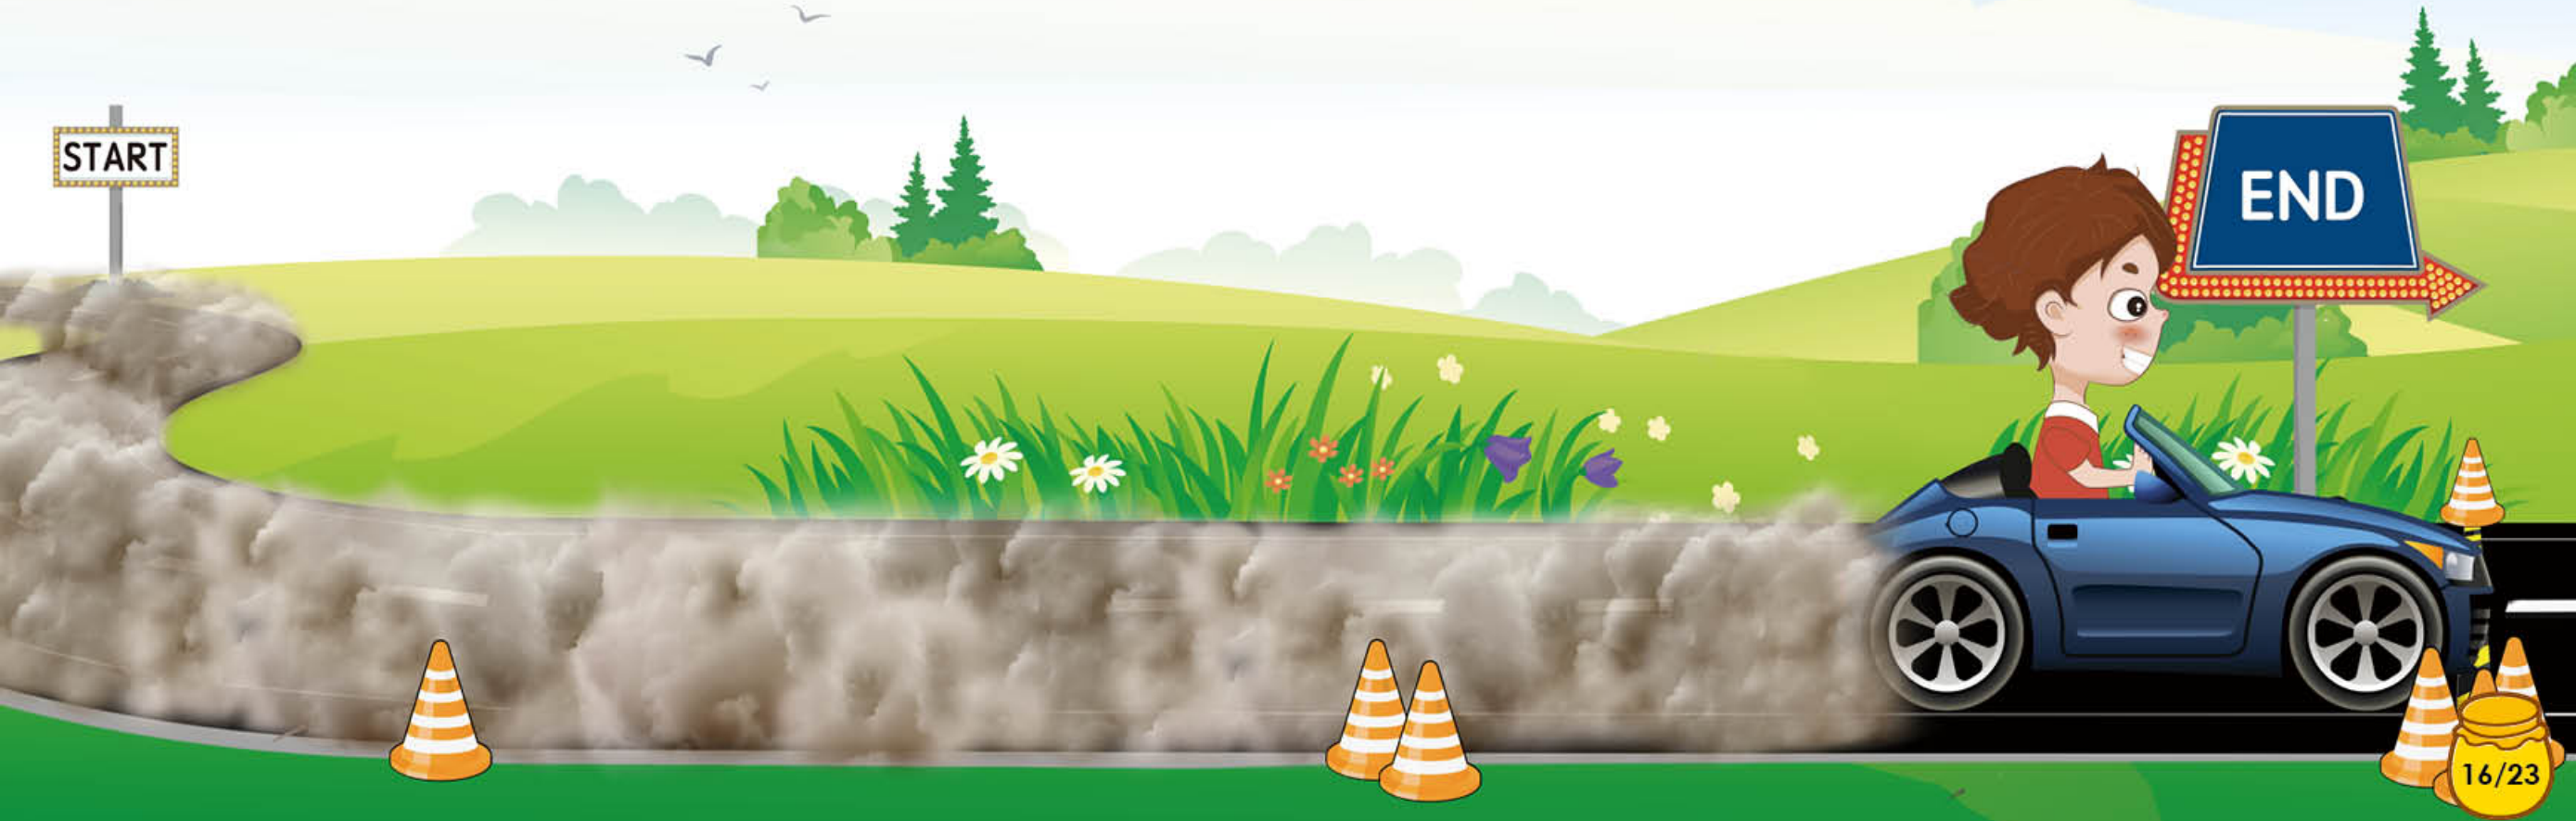

They felt really bad about leaving home. They realized how much they missed and loved their family. Finally, they decided to go home.

Why did Mouse and Turtle decide to go home?
