Emma's Favorite Animal

Conversation

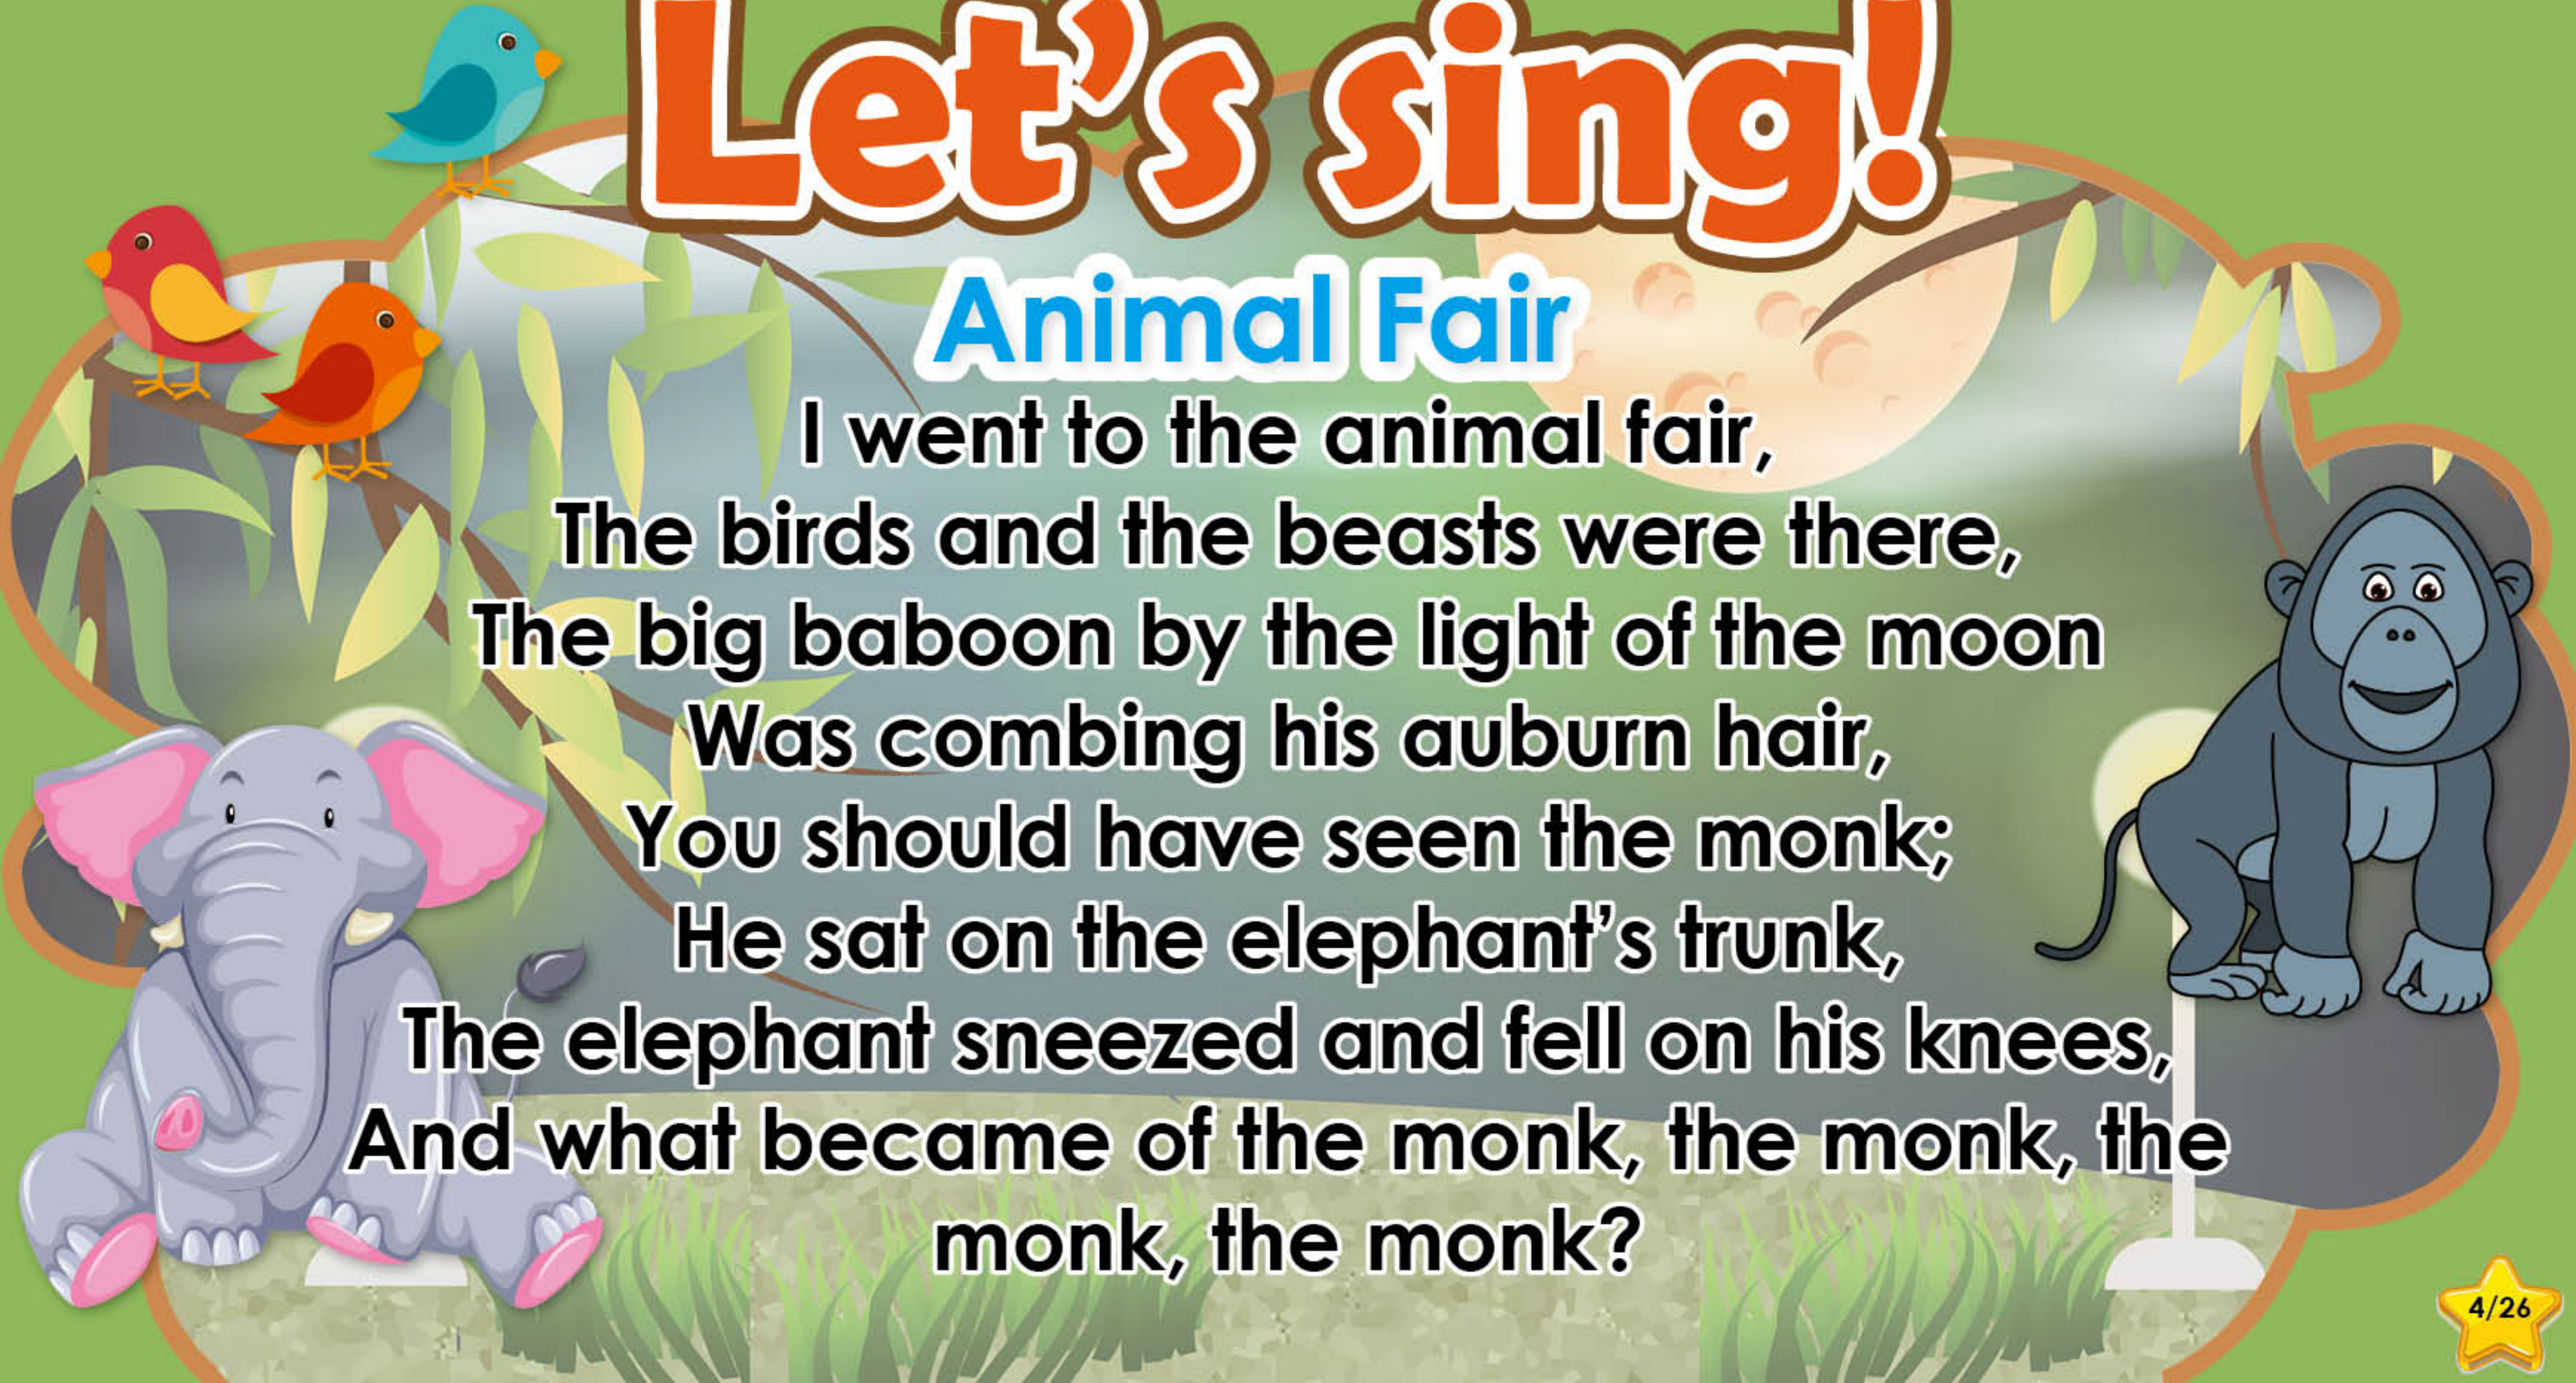

**You are going to learn how to talk
about animals.**

Let's sing!

Animal Fair

I went to the animal fair,
The birds and the beasts were there,
The big baboon by the light of the moon
Was combing his auburn hair,
You should have seen the monk;
He sat on the elephant's trunk,
The elephant sneezed and fell on his knees,
And what became of the monk, the monk, the
monk, the monk?

Let's learn
some words.

A colorful illustration of a farm scene. In the center, a white goat with blue horns and a red collar stands on a green field. To the left is a red barn with a black roof and a black door. Behind the barn is a large orange and black windmill. To the right of the goat is another large orange and black windmill. In the background, there are green trees, rolling hills, and a large yellow sun. The sky is light blue with white clouds and several black birds flying.
