I'm afraid that we can't find the new playground.

Don't worry, Grandma! We can use the map on your phone.

What does  
the map say?

It says we have to walk  
**straight** down this **road**  
to the hospital.

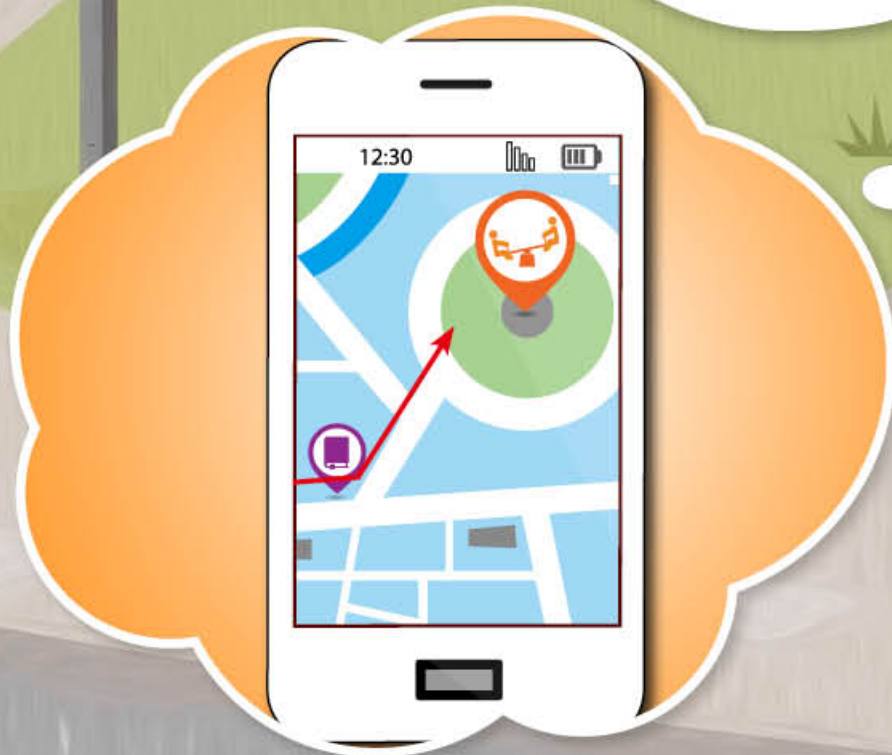

Is it next to  
the hospital?

No, we have to **turn  
right** at the hospital and  
walk to the library.

We turn **left** at the library  
and walk to the park.  
The playground is in the  
**middle** of the park.

Very good,  
Timmy!
