The World Inside the Mirror

Victor was an inventor. He lived down by the river.
His greatest invention was the magic mirror.

Victor kept the magic mirror in his house. One day a girl named Taylor came in to see the mirror. Inside the mirror was a strange world. Taylor fell in!

Such a fancy world inside the magic mirror! A great green worm slept under a tree. A dog worked on a tractor. Taylor was shocked!

There was a turtle who was a sailor. A fox was a doctor. Even a sloth was a tailor. What a fantastic world inside the magic mirror!
