Let's talk!

Introduction

Sam is very sad after his math exam. His math teacher is talking to him.

What's wrong,
Sam? You look
very sad.

I didn't finish my
exam before the
time was up.

Were the
questions too
hard?

Not really, I
spent lots of
time mending
my pen.

Oh! You could have **borrowed** a pen from a classmate. Remember: "Time is money"!

Yes, my mom always says that to me, but I failed to remember it today.

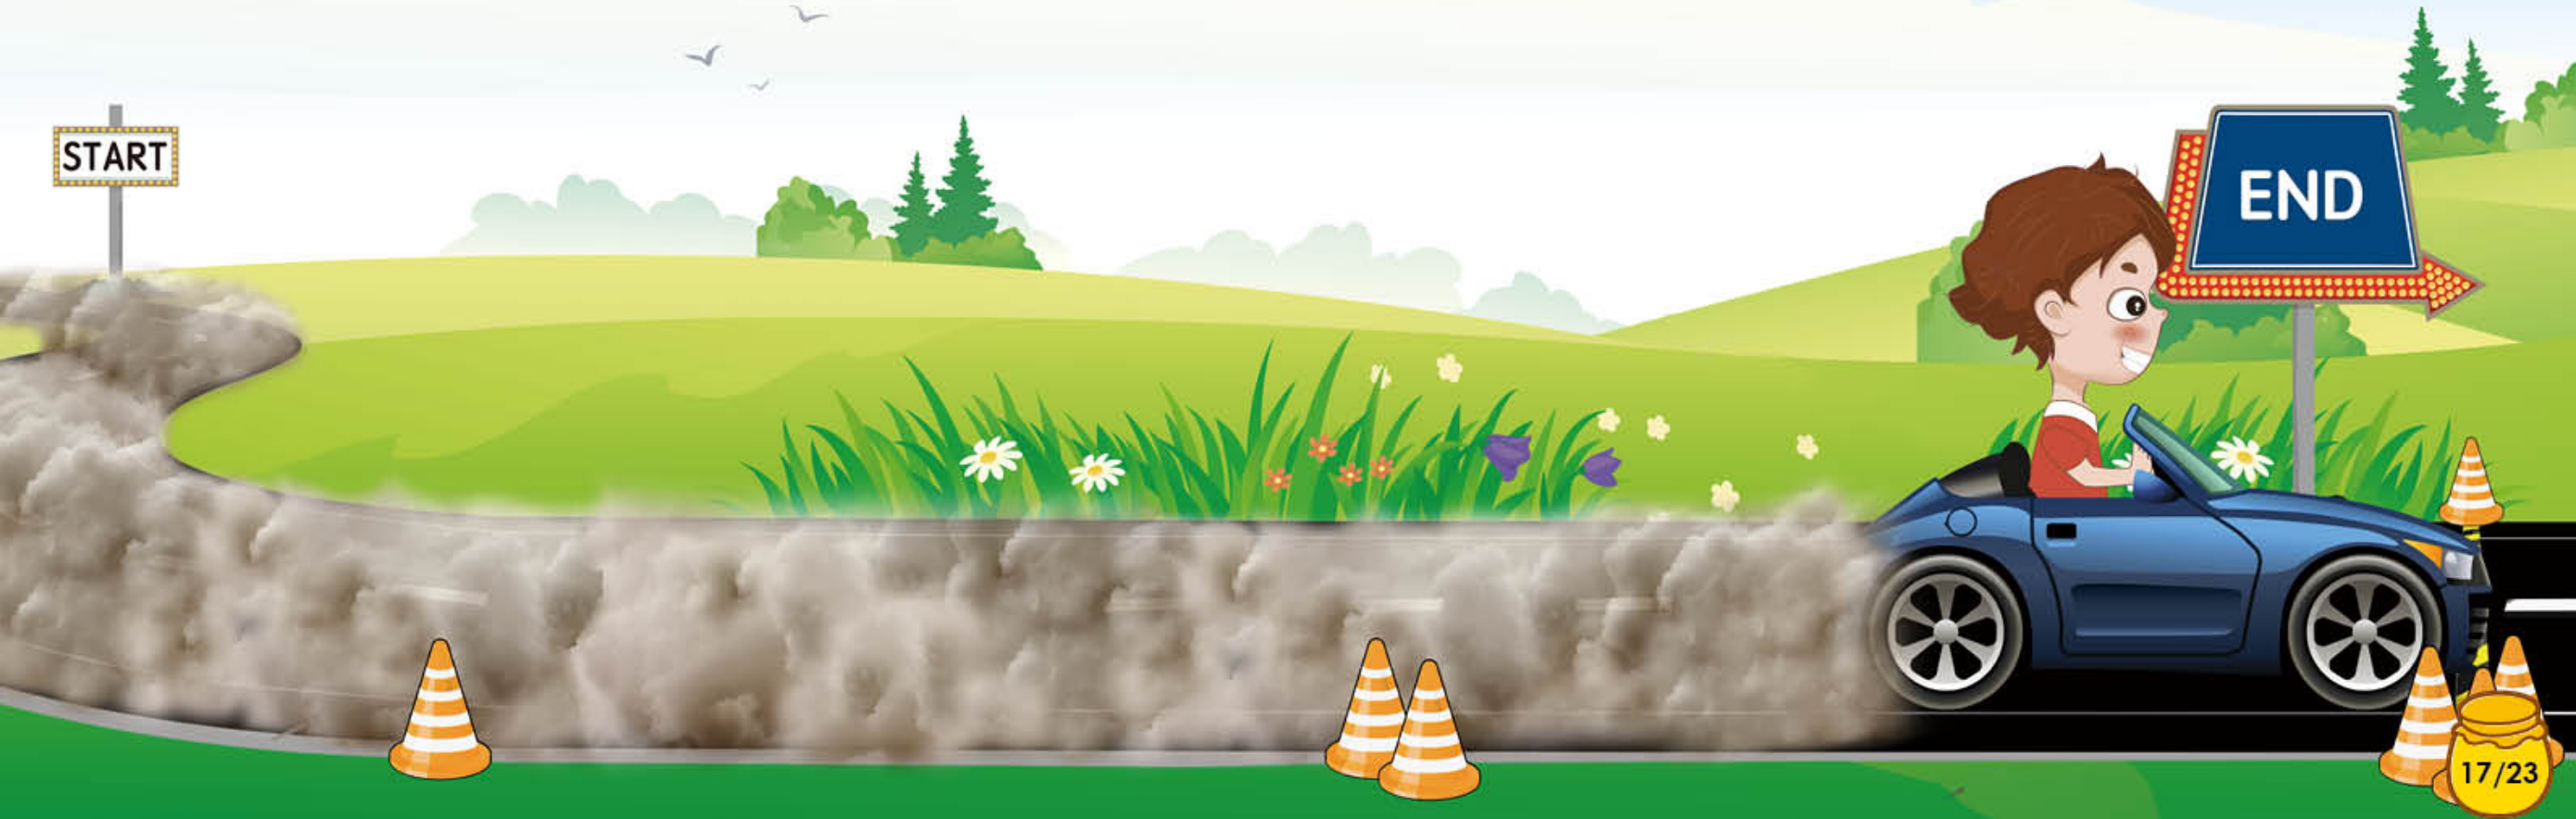

But you learned a lesson today. Time is very important, so don't waste it.

Time is money

Yes, I will cherish every **minute** and every **second** in the future!

Let's practice!
