Classic English Junior Level 7 - Unit 6 - Lesson 6

The Ugliest

We are going to learn about some of the ugliest animals in the world.

Warm-up

2 min

1

2

3

4

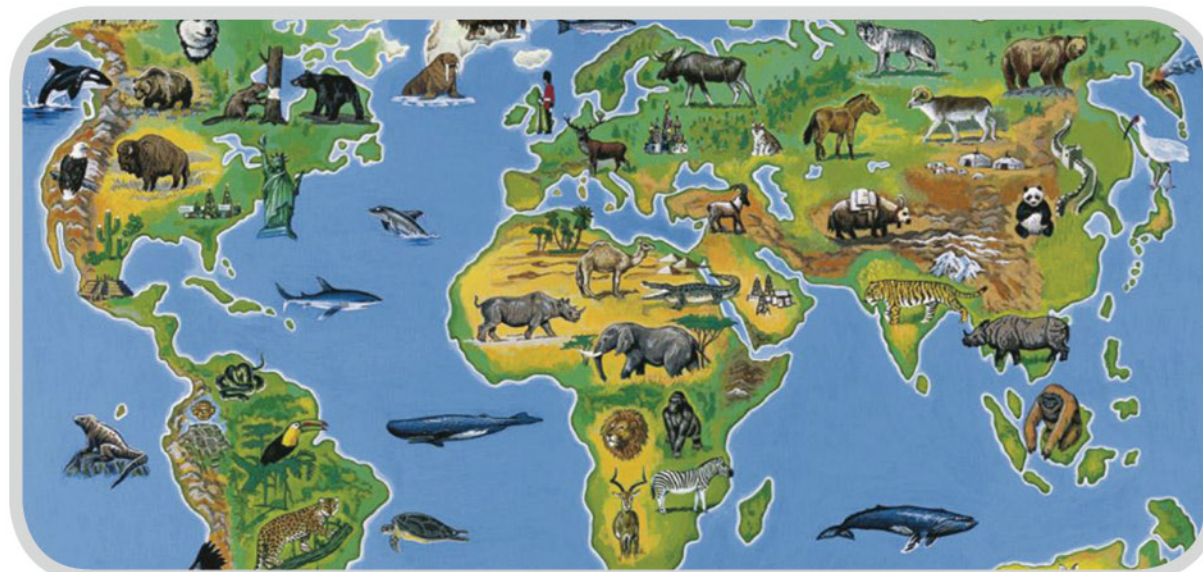

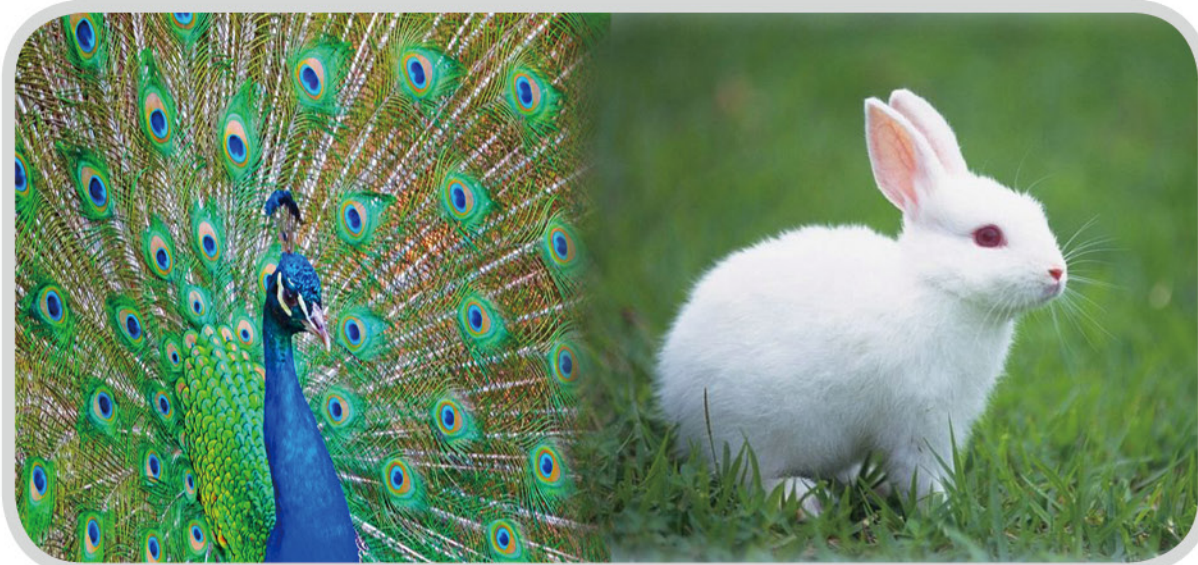

Which picture do you think is the most beautiful? Why?

**Reading****3** min

Read with the teacher and then answer the question below.

There are many animals that attract people with their beauty and loveliness. However, there are some animals that **disgust** people with their ugliness. There are many **ugly** animals all over the world.

What animals disgust you?

To be continued... >>

**Reading****3** min

Read with the teacher and then answer the question below.

One of the ugliest animals is the naked mole rat. It has a bald, **wrinkly** body and four big teeth that stick out of its mouth. Luckily this hairless mole rat lives **underground**.

Why is it lucky that the mole rat lives underground?

To be continued... >>

Reading 4 min

Read with the teacher and then answer the questions below.

Another ugly animal is the **blobfish**. It has no scales. Instead, its body is covered by pudding or jelly-like flesh. It looks like a sad face, so it's called "the saddest fish in the world."

Do you think the blobfish looks ugly? Why?

To be continued... >>

Reading 4 min

Read with the teacher and then answer the question below.

Besides the naked mole rat and blobfish, there are many other ugly animals in the world. Even though many people think they are ugly, some people still find them beautiful.

Besides the mole rat and blobfish, what other ugly animals do you know?

Let's practice. >>

**Task****4**

min
