## Reading for information:

When we read a text for the first time, we look through it quickly and mark the important or relevant information.

**Tips:** You can use **underlines**, **squares** or **circles** to mark information.

In this reality show, singing takes the most important role. The show features blind auditions. Contestants sing songs to get the appreciation of four coaches, and then they are selected to join their teams. After being mentored, the selected contestants compete in several rounds for the championship.

Read the passage and do the activity.

## Reality Show 1

In this reality show, singing takes the most important role. The show features **blind auditions**. **Contestants** sing songs to get the appreciation of four coaches, and then they are selected to join their teams. **After being mentored**, the selected contestants compete in several rounds for the championship. The purpose of this reality show is to find new singing talents for the Chinese music industry.

### Grammar

When one action happens before another action, we can use **after -ing** for the first action.

e.g.

After finishing her work, she went home.

Make a sentence using **after -ing**.
