

The background is a vibrant purple space scene filled with white stars of various sizes. In the top right, a white rocket with red and yellow accents is launching. To its left is a yellow planet with orange rings. In the top center, a small Earth globe is visible. Below the title box, a satellite with blue solar panels is shown. In the bottom left, a white lunar rover with red stripes and a satellite dish is on a blue, cratered moon. In the bottom right, a purple spaceship with yellow accents carries two children, a girl with brown hair and a boy with brown hair, both smiling. The title 'Lesson 55' is in a smaller font above the larger title 'How tall?'.
