I love them.

Lily and Lucy

My mom hugs my sister and me.
She is so happy with us.

?

Let's read!

Gina and her dad were shopping for **school supplies**. “You’ll need some pencils,” said Dad. From a big jar, Gina **counted** out four pencils. “One, two, three, four pencils.”

What were Gina and her dad doing?

In the next aisle, Gina found glue and scissors. "Look. Glue and scissors." She picked up a package of colored paper and said, "I need paper." Then she added a box of crayons. "I need crayons."

What did Gina choose for herself?

“You have a lot of things. You’ll need something to carry **them** all,” said Dad. Gina nodded. “I need a **backpack**.” She picked out a bright red backpack and put all her school supplies inside.

Grammar

Plural pronouns

A plural pronoun replaces more than one person, place, or thing.

“**Them, us, you**” are plural pronouns.

e.g. **Lily and Lucy** are my good friends.

I love **them**.

“Them” replaces “Lily and Lucy”.

What did Gina need to carry all the things?

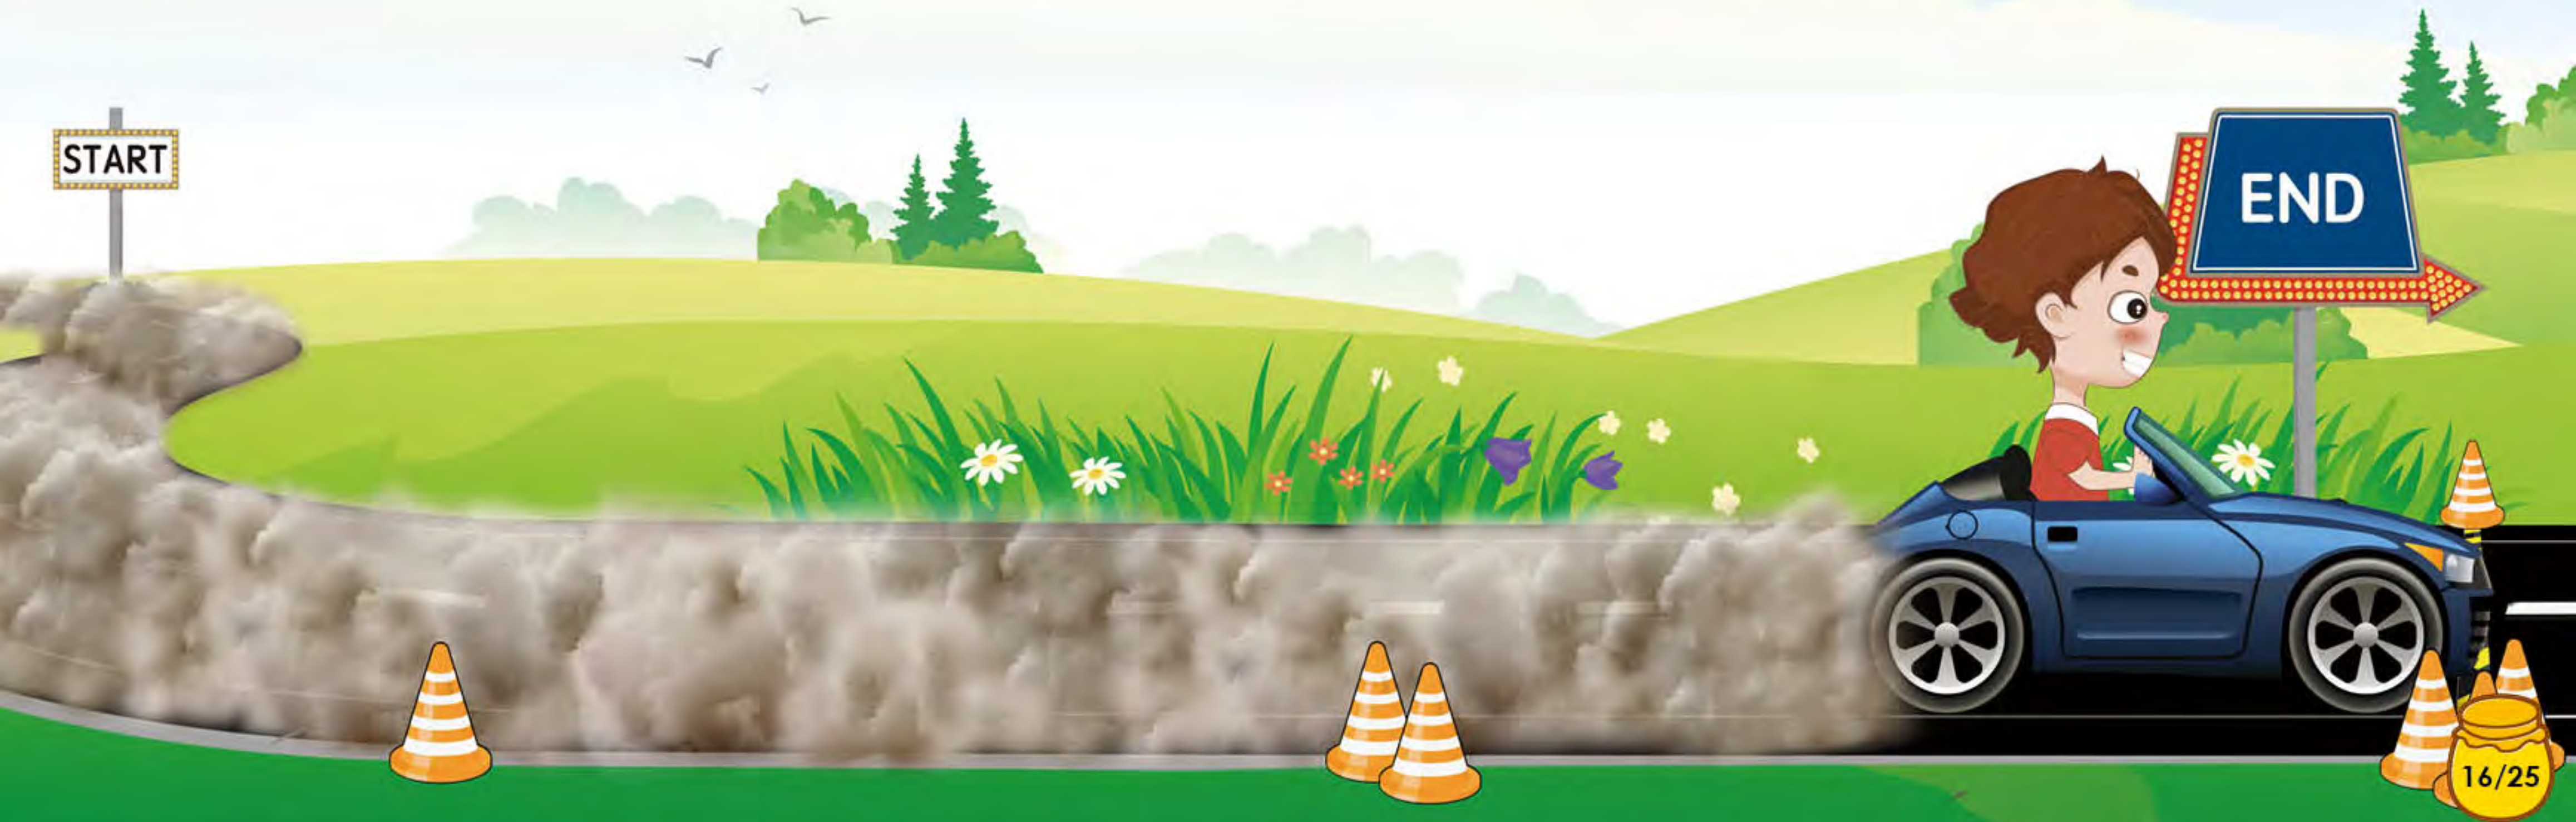

When they paid for everything, the clerk gave Gina a **sticker**.
“You can put this on your new backpack,” she said.
Gina smiled. “Thanks!”

What did the clerk give Gina?

Let's practice !
