# Think and answer

Read the transcript and answer the questions.

Q1: What's Jane's favorite animal?

Q2: Where did Jane get her snowboard?

Q3: When did Jane get her gloves?

# Think and answer

Jane: I've got many pictures of them everywhere. Do you like my favorite backpack? The animal on it is my favorite.

Harry: Yes. It's great. Polar bears? I think you like polar bears best.

Jane: No, it has got an eagle on it. Mum bought it for me. She got it last year when we visited the zoo.

Harry: I'd like one like that!

Jane: And dad bought the snowboard for me last January when we were on holiday in the mountains. There are some butterflies on it.

Harry: It is amazing. You have so many interesting things. Do you have any other things that have animal pictures on them?

# Think and answer

Jane: I have got an umbrella that I took on holiday with me when I went camping last summer.

Harry: The bat on the umbrella looks so cool.

Jane: Yes, I like it and I use it every day now. Do you like my gloves?

Harry: Your grandma made those for you, didn't she?

Jane: Yes! She wanted to make me something that I could use in the cold weather.

Harry: Are they nice and warm?

Jane: Yes, a pair of gloves was a great birthday present!

Harry: That's so nice of her!

# Think and answer

Try to ask questions for the two sentences.

e.g. A1: Jane's grandmother wanted to make Jane feel warm in the cold weather.

Question: Why did Jane's grandmother give her a pair of gloves?

A2: Jane hates flies.

A3: Jane got her backpack from the zoo.

# Free talk

Answer the questions and talk with the teacher freely.

Can you simply describe pictures of animals that are on your things (or your friend's things), using today's words?
