# Let's read!

Timmy, Sam and Cindy love Halloween! It's the best thing about October. What could be more fun than dressing up and getting candy?

Why do they like Halloween?

It's time to choose the Halloween costumes.  
Timmy chooses a **skeleton** costume. Sam dresses as a mummy. Cindy chooses to be a witch.

What costumes do they choose?

Now it's time to get some **pumpkins** and make some **jack-o'-lanterns**. Timmy likes to carve funny faces. Sam always carves scary faces. Cindy carved a cat face on her pumpkin this year.

What do they do with the pumpkins?

Now it's time to go trick-or-treating. They put on their costumes, light their jack-o'-lanterns, and go outside. They go down the street and **knock** on every door. When someone opens the door, they call out "trick-or-treat!".

What do they call out when someone opens the door?

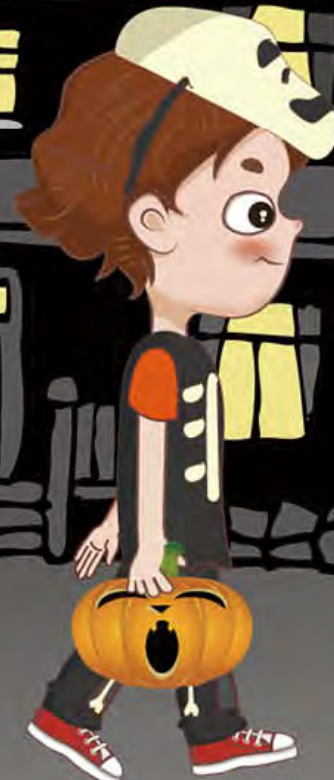

Trick-or-treat!

Nobody ever chooses “trick”, because that means that the children will do something bad. So the children always get lots of candy! They collected lots of treats and then went to Sam’s house for his Halloween party.

Why does nobody ever choose “trick”?

The party was lots of fun, especially the “Bobbing for Apples” game. Several apples are placed in a big bowl of **water**, and then the children have to use their mouths to grab the apples. Sam wins — but his mummy costume gets all wet!

## Grammar

### Uncountable nouns

Uncountable nouns can't be counted using numbers. They only have singular forms.

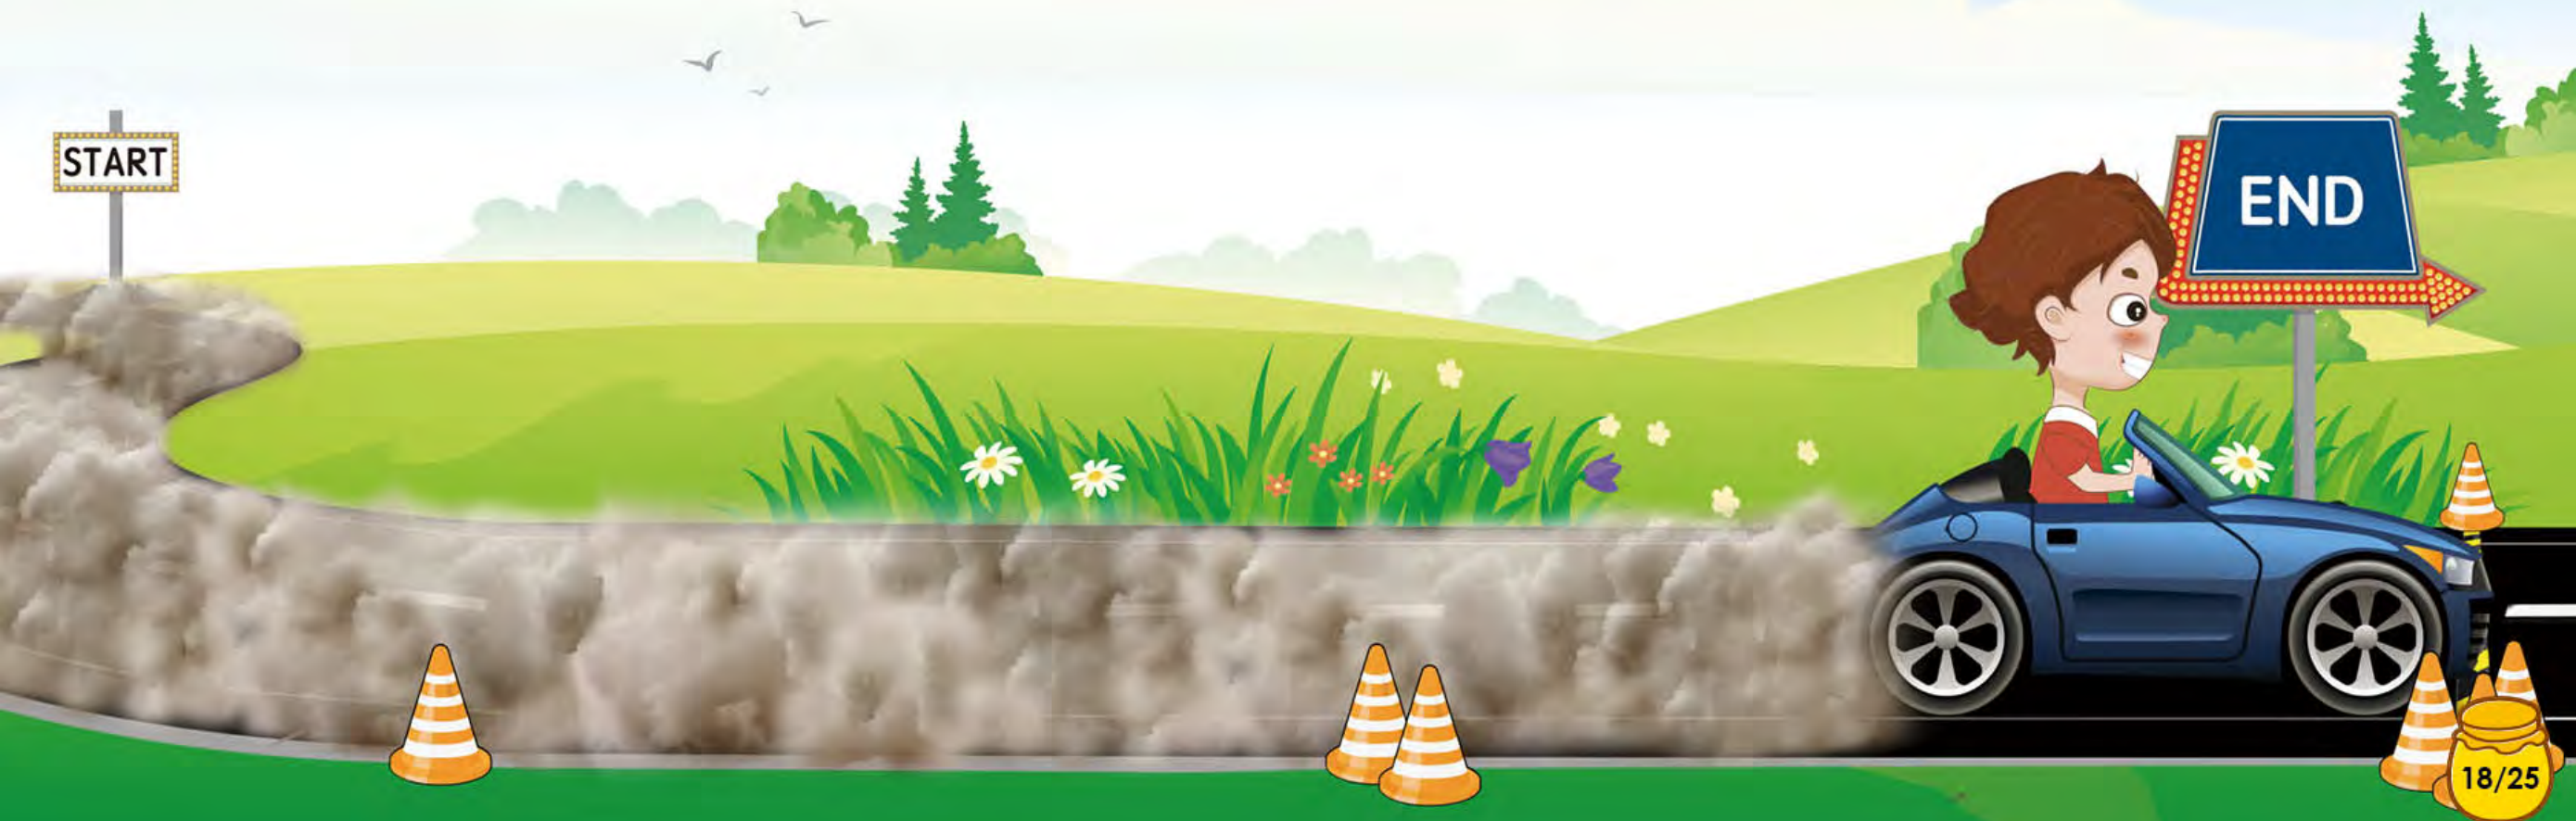

e.g. milk	some milk
sugar	a lot of sugar
coffee	a cup of coffee

How do you play  
“Bobbing for Apples”?
