Read and think

flowers, golf, field, robot, planets, environment, jumping, badminton, astronauts, rocket, air, leaves

1. One of the (1) planets is larger than the other two.
2. An astronaut is (2) jumping off the top of the steps happily.
3. The other two (3) astronauts are playing (4) golf near the strange tree.
4. The trees have got (5) leaves that are like open hands.
5. The (6) field under the astronauts looks a bit like sand.

Find the differences

Look at the two pictures. What differences can you see? Circle out differences.

Find the differences

Read the sentences. Tell the teacher what is in the picture B.

Example:

There are three other planets
and no rocket in the sky.

There are two planets and
a rocket in the sky.

Find the differences

One of the planets is larger than the other two.

The planet on the left is larger than the one on the right.

Find the differences

An astronaut is jumping off the top of the steps happily.

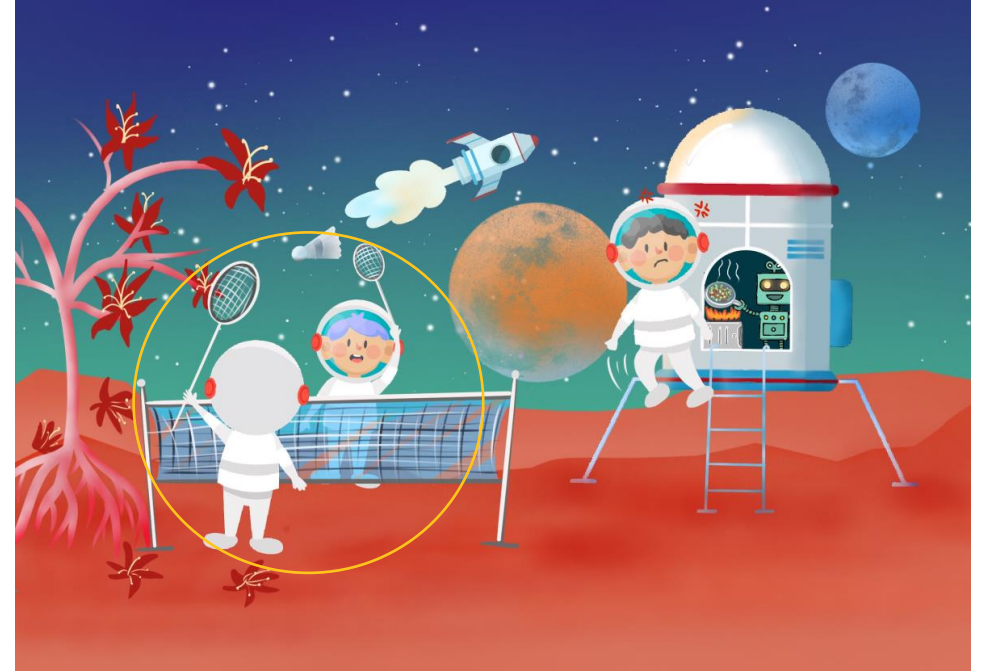

An astronaut is jumping off the top of the steps angrily.

Find the differences

The other two astronauts are playing golf near the strange tree.

The other two astronauts are playing badminton near the strange tree.

Find the differences

The trees have got leaves that are like open hands.

The trees have got red flowers.

Find the differences

The robot inside the rocket is fixing the computer screen.

The robot inside the rocket is cooking meals.

Free talk

Answer the question and talk with the teacher freely.

What would you like to do if you
were an astronaut in space?

03

Conclusion

Conclusion

In this lesson, you've learnt

Words

astronaut, rocket, planet, space, badminton, golf, environment

Sentences

An astronaut is jumping off the top of the steps happily.
The other two astronauts are playing golf near the strange tree.
The robot inside the rocket is fixing the computer screen.
What would you like to do if you were an astronaut in space?
