# Read the story.

# A Rainstorm

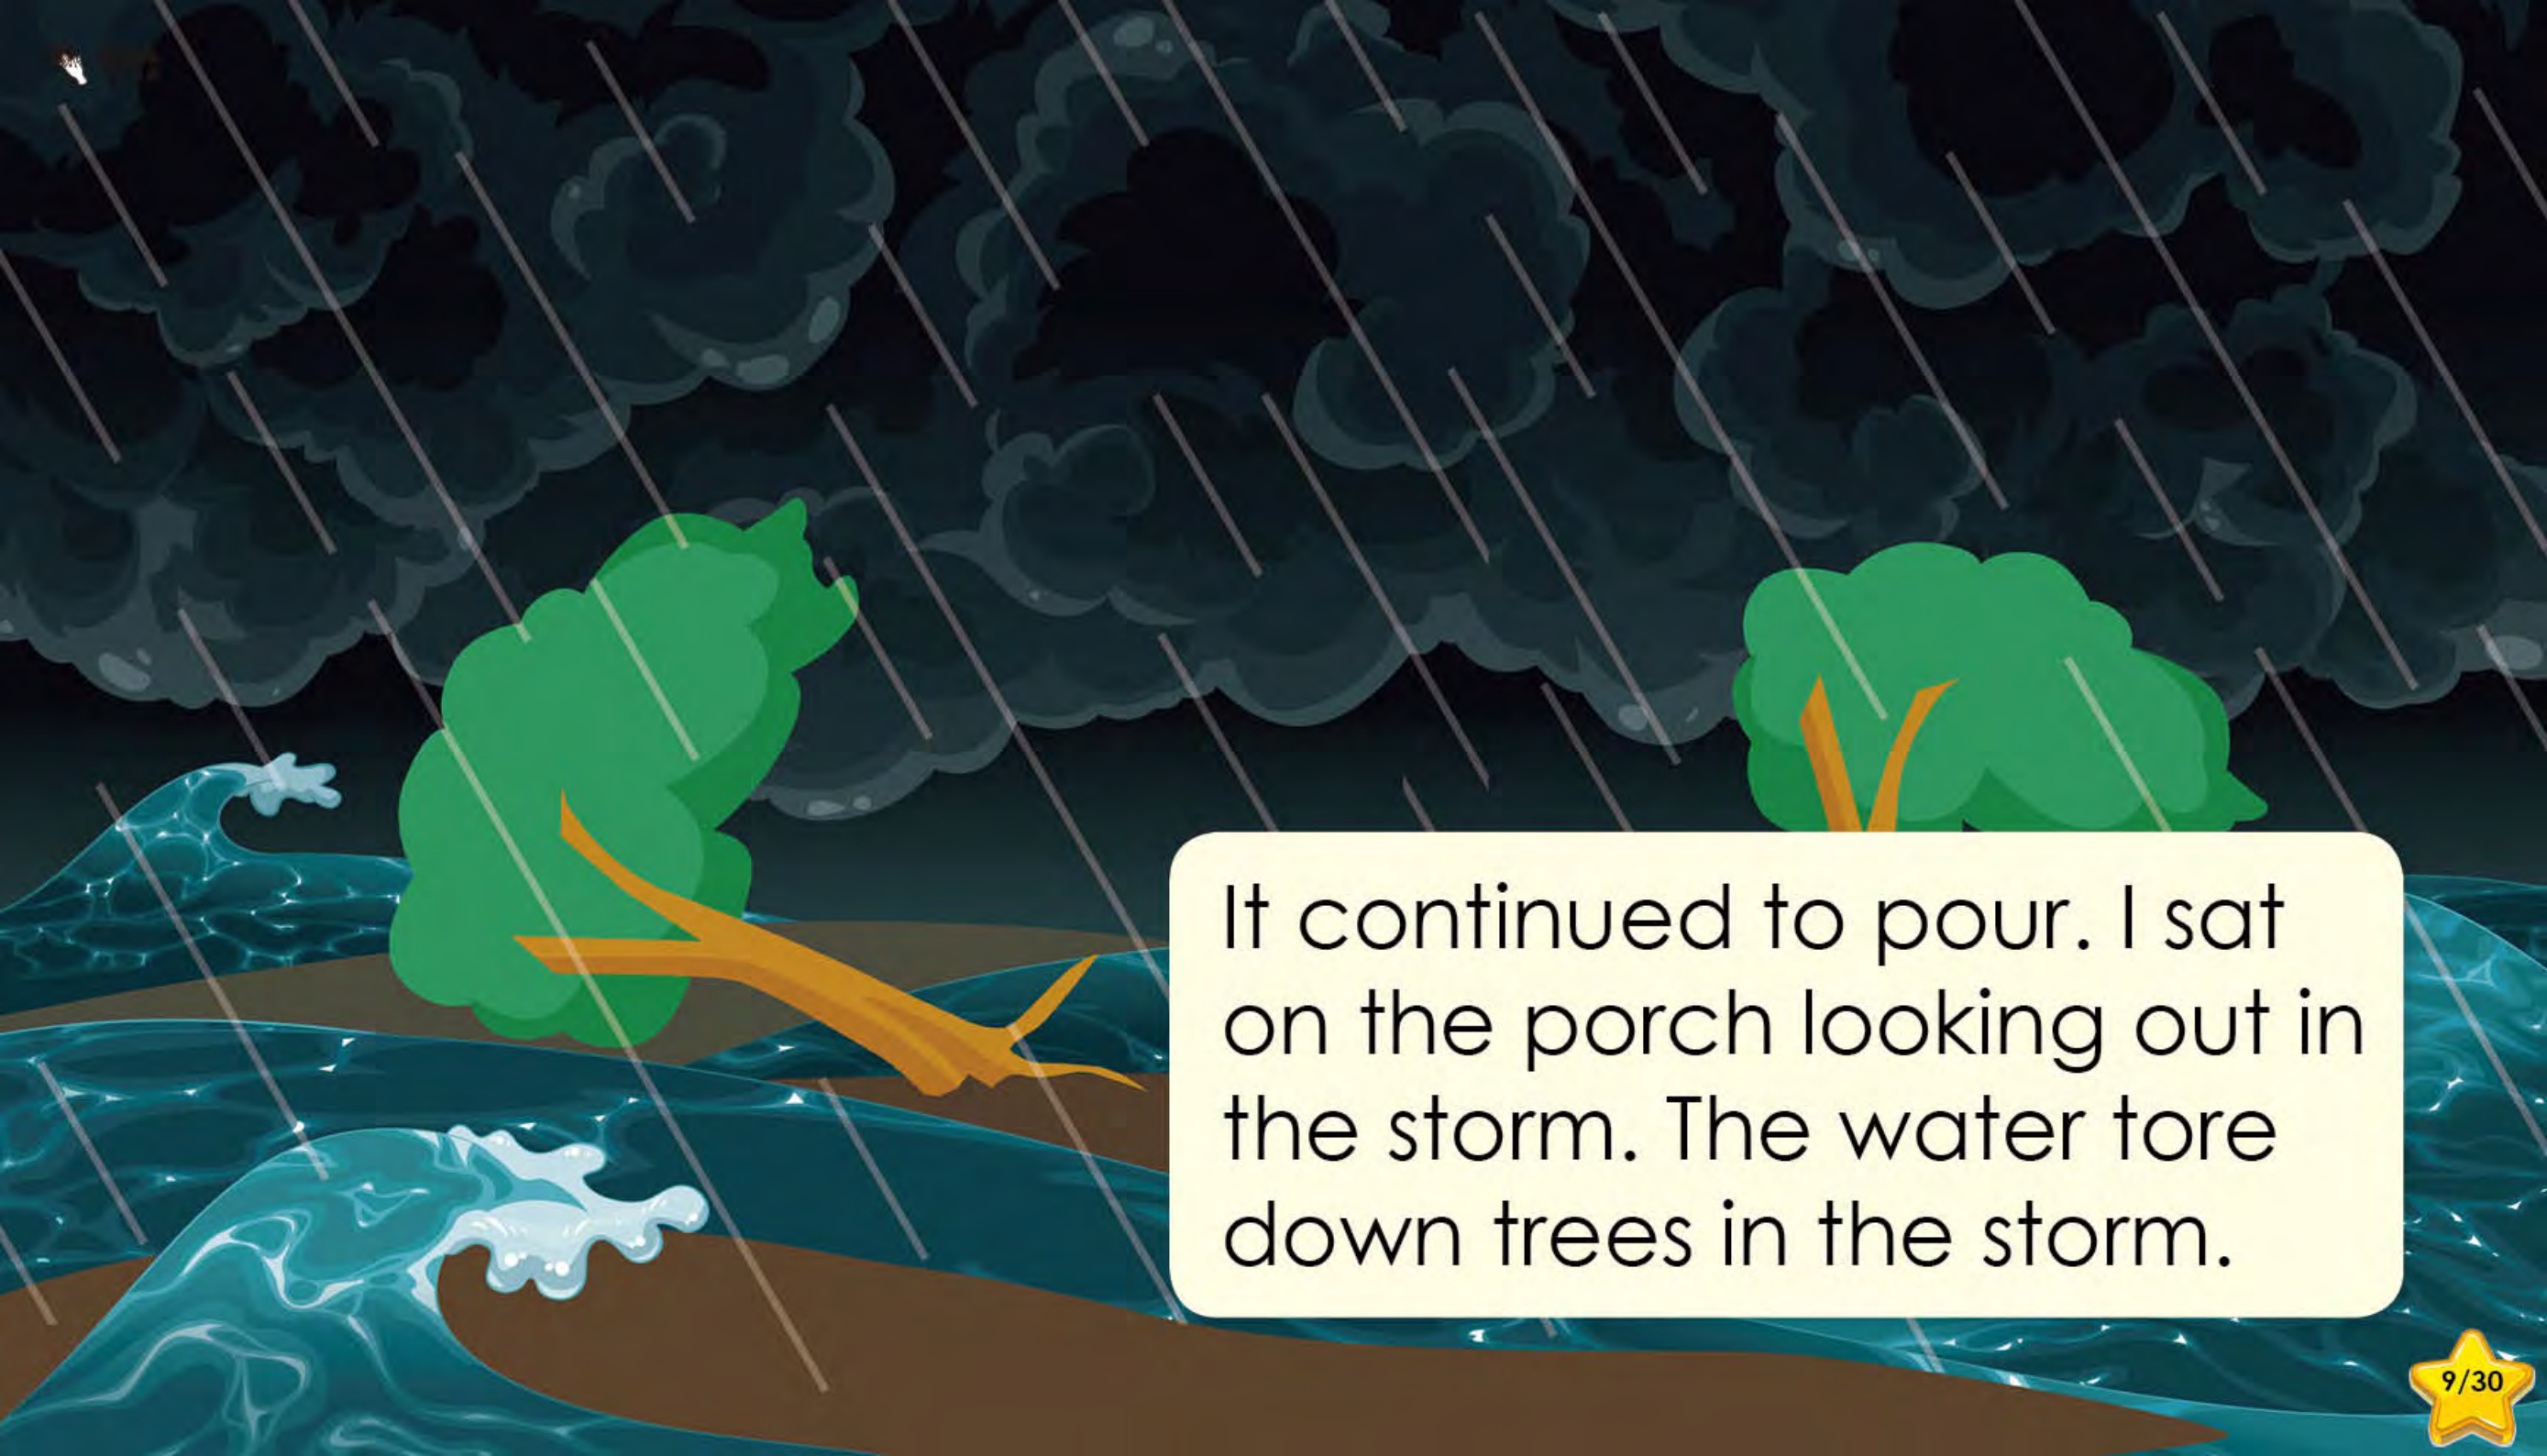

I was doing chores when the storm clouds formed. All of a sudden the storm horn sounded.

I sat on the porch in the storm. The storm was scary! I saw a bolt of lightning hit the tree next to the store. It torched and scorched the store.

It continued to pour. I sat on the porch looking out in the storm. The water tore down trees in the storm.

After the storm I had another chore. I had to clean up the trees torn down in the storm. “No sports for now,” said Dad. “We need to work until we are all sore.”
