

The background is a vibrant purple space scene filled with white stars of various sizes. In the top right, a white rocket with red and yellow accents is launching. To its left is a yellow planet with orange rings. In the top center, a small Earth globe is visible. Below the title box, a satellite with solar panels is shown. In the bottom left, a lunar rover with a satellite dish is on the surface of a blue and white moon. In the bottom right, a purple spaceship with yellow accents carries two children, a girl with brown hair and a boy with brown hair, both smiling. The title 'Lesson 94' is in a smaller font above the main title 'What's the matter?' which is in a large, bold, black font.
