

What do you know about these monuments?

Read with the teacher and then answer the question below.

Every year, many tourists travel on vacations to view popular monuments and architecture. Once there, they can take a guided tour, hire a photographer or wander around the site themselves.

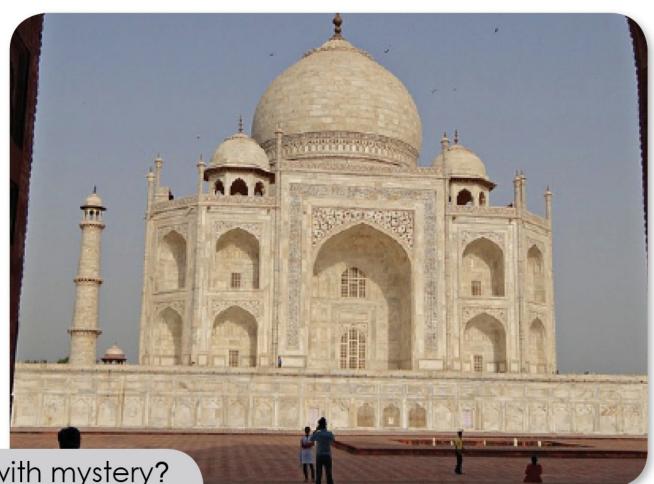

What would you like to do on your next vacation?

### Read with the teacher and then answer the questions below.

The Taj Mahal is a mausoleum in India. To the rest of the world, it holds a lot of mystery, so many travelers visit the site to learn about its history and view the beautiful designs.

Do you know a place that is filled with mystery? What is it?

### Read with the teacher and then answer the questions below.

Stonehenge has a long and ancient history. Every year, people visit Stonehenge to celebrate the longest day of the year, which is called the summer solstice.

Are there any landmarks in your country that are important to ancient history? What are they?

#### Read with the teacher and then move to the Word Focus.

As the longest man-made wall in the world, the view from the Great Wall of China is **breathtaking**. As well as the view, there are many other activities to do such as bike riding and guided tours.

#### **Word Focus**

- Watching the sunset from the beach is breathtaking.
- What view in the world do you think is most breathtaking?

### Read the Grammar Focus and then fill in the blanks.

#### **Grammar Focus**

- The time expressions before/after introduce adverb clauses. They are used to indicate whether something happens in the past, present, or future.
- E.g., We went to Rome to see the Colosseum before we visited the Acropolis in Greece. After that, we flew to India to visit the Taj Mahal.
