Hi, many of you may think I'm called Lily but that's just the name I use for work. It's very simple. My real name is Amy Green. I'm 23 and a film (US movie) star.

I've been in several films already. I often have to do quite terrible things while I'm filming. I might have to wear a coat and boots in summer or wear a dress in winter.

Last week, we were filming a scene in the sky. It's safe but it looks very dangerous. Someone had to fly me in a helicopter which was very frightening. I felt really excited.

When we aren't filming, I like spending some time in the gym or at home. I love reading books and climbing mountains.
