

Have you ever done anything wrong before? What did you do?

Read with the teacher and then answer the question below.

Everyone makes **mistakes** in life, from little **mishaps** to things you may never know you did wrong. Mistakes can become big problems, so let's explore how to face them.

What will you do if you make a mistake?

Read with the teacher and then answer the questions below.

First, don't be afraid to make mistakes. This seems **scary** because you create a horrible scene of what could happen in your head. But in reality, facing your fears and making mistakes along the way helps you **progress**.

What mistakes have you made at school? How do you face up to your mistakes?

Read with the teacher and then answer the questions below.

Next, accept the idea that anyone can make a mistake. Some may choose to never admit they make mistakes but in life everyone makes mistakes.

EXAMS IN PROGRESS

What mistakes have you seen around you? How did you correct those mistakes?

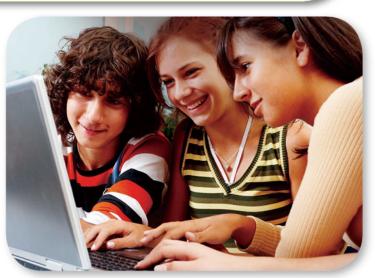

Read with the teacher and then move to the Word Focus.

Finally, mistakes are an important part of the learning process. In life, you need to make mistakes to gain **experience** and once you start to face your mistakes, you'll be able to do better in life.
