IV. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a party that you enjoyed.

You should say:

whose party it was and what it was celebrating

where the party was held and who went to it

what people did during the party

and explain what you enjoyed about this party.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What: Two weeks ago, I was invited to attend a **singles dance party**, which was really interesting.

Whose party and where: This party was organised by the Students' Union of my university. It was held in one of the halls at the Students' Union building.

Who went to it: Most students who were single and wanted to make friends came to the party.

What people did: We **danced to music** happily at the party. In addition, we also played a quite interesting game, which was called **mixer game**. In the game, each guest was given a card with a number on it. Then according to the number on the card, we should find someone who had the same number. It was really a fun game which I enjoyed most. During the game, I found my partner quickly and won a cute doll as a prize.

Model 2

What and whose: Only a few days ago, my new neighbour, Ada, moved into a new house. She held a **housewarming party** and I was invited.

Where: This party was held at Ada's new house. Many friends of her and other neighbours came to the party.

What people did: During the party, we enjoyed the excellent drinks and food prepared by Ada. At the same time, Ada **presented** her beautiful new home to us. I was deeply impressed by the beautiful house of Ada. It was decorated like a princess' castle, which was really amazing.

What you enjoyed: As an informal party, it did not include any planned activities. However, I enjoyed it very much because the carrot cake made by Ada was really **out of this world**. In addition, Ada and I have been close friends since then.

You are required to talk for the full 2 minutes.
