In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

When: Three years ago, I attended a meeting of the **Students' Union** in my university. The meeting was very **unforgettable**.

Where and who: The meeting was held at a meeting room at the student union building. All members of the Students' Union attended it.

What: During the meeting, we discussed how to make the party funny. Everyone was required to give an idea. Once it was my turn, I became quite nervous. I was a shy person and I had never spoken in front of so many people. I said that we could ask everyone to wear their ugliest sweaters to the party. Everybody thought it was great.

Why: I remember this meeting for three reasons. This first one is that it was my first time speaking in front of many people. As I have told you before, I was a shy person. However, it was great that I overcame my shyness. The second one is that my idea was praised and **adopted** at the meeting. I felt very proud. Since the meeting, I've become a lot more confident, which is the third reason why I remember this meeting.

Model 2

When, where and who: After my graduation, I got employed by a planning company. To welcome the new employees, my department held a meeting. It was the first formal meeting I have attended in my life. The meeting was held on a Tuesday morning at the meeting room in our company. All the colleagues in my department attended the meeting.

What: At the meeting, the manager of our department gave us new employees a warm welcome. Then all the new employees were required to introduce themselves. When it came to my turn, I gave my self-introduction in a very funny way. I said my hobby was eating and I was very good at eating. Everybody at the meeting began to laugh.

Why: The reasons I remember this meeting are quite simple. As I have mentioned before, it was the first formal meeting I have attended in my life. This meeting meant a new start of my life. What's more, I was very happy that my funny self-introduction made everyone laugh.

You are required to talk for the full 2 minutes.

Key sentences

I like flowers but I don't like to have them in my home. I **am busy with** my work and I have no time to take care of them.

There are many occasions when I would give flowers to others, for example, **Valentine's Day**, wedding ceremonies, and birthdays.

Flowers in our culture are symbolic, for example, lilies **represent** a happy marriage, and sunflowers represent **passion** and hope.

Once it was my turn, I became quite nervous. I was a shy person and I had never spoken in front of so many people.

When it came to my turn, I gave my self-introduction in a very funny way. I said my hobby was eating and I was very good at eating.

At the meeting, the manager of our department gave us new employees a **warm welcome**.
