3.1 Here is a model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 1

What: Mingsha Sand **Dunes** in Dunhuang is one of the 40 Top National Natural Scenery Zones of China.

Where: It is situated 6 km southwest away from Dunhuang Town, Gansu Province, China.

What you can see there: The hill has sands which comes in five different colours: red, yellow, green, black and white. Another spectacular scene is Crescent Moon Spring, which lies in the arm of the dunes at the foot of Mingsha Hills.

What people can do there: I have to say it is a beautiful place where you can admire the sunrise and sunset, a cool place to go Sand skating, a fantastic place to listen to music from the sand. It is called "the sound of earth and the sound of nature". It is said that the sands give out the sound of music instrument in sunny days, even when the wind stops and the sand is still.

Why you like it: It is really a wonder that the sands and lake have **coexisted** together for thousands of years. I can't believe that the spring has never been covered by quick sand and has been kept clear continuously. I'm looking forward to visiting this spot again.
