I used to travel by air a great deal when I was a boy. My **parents** used to live in South America and I used to fly there from Europe in the holidays. A flight **attendant** would take charge of me and I never had an unpleasant experience. ^[1] I am used to traveling by air and only on one occasion have I ever felt frightened.

1. ...and **only on one occasion have I ever** ...

= and I have ever... only on one occasion

➤ ^{倒装句} [inverted sentence]: only + adverbial modifier (状语) + auxiliary verb (助动词) / modal verb (情态动词) + subject + verb (谓语动词)...

E.g. (1) Only with hard work can you expect to get a good grade.

= You can expect to... only with hard work.

(2) Only at that time did she realize how much damage had been caused.

= She realized how much... only at that time.

After taking off, ^[2] we were flying low over the city and slowly gaining height, when the plane suddenly turned round and flew back to the airport. While we were waiting to land, ^[3] a flight attendant told us to keep calm and to get off the plane quietly as soon as it had touched down. Everybody on board was worried and we were **curious** to find out what had happened.

2. ...we were flying..., **when** the plane suddenly turned round...
= ...**while** we were flying..., the plane suddenly...

➤ **when + short action; while + long action**

E.g. I was eating when he came in.

= While I was eating, he came in.

3. ... get off... **as soon as** it...

= ...get off... **the moment** it...

➤ **as soon as... = the moment...**

E.g. I ran away as soon as my mom had entered the room.

= I ran away the moment my...

Later we learned that there was a very important person on board. The police had been told that a **bomb** had been **planted** on the plane. After we had landed, the plane was searched thoroughly. Fortunately, nothing was found and five hours later we were able to take off again.

4. ...*the plane was searched*...

= ...*somebody searched the plane*.

➤ ^{被动语态} Use [passive voice] (*be done*) to focus on the subject experiencing an action instead of the performer of the action.

E.g. (1) The house was built in 1987. (= we focus on the house, not on who built it.)

(2) The road is being repaired. (= we focus on the road, not on who is repairing it.)
