when and where you bought it/ them

why you bought it/ them

and explain why this experience was unhappy.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Here are the two models for the IELTS Part 2. We will focus on the sentences highlighted below. Students are required to recite these two models after class. (10 mins)

Model 1

What and why you bought it: I usually use an electric kettle to boil water for my tea; unfortunately, my electric kettle stopped working, so I had to buy a new one.

When and where: I went to a market which was near my house last Sunday. With the help of a stall owner, I bought a black electric kettle which only cost me 100 yuan. I was very happy.

Why: When I used the new kettle to heat water, it didn't work at all. I went back to the stall to exchange it, but the stall owner refused to let me exchange it. I was very angry. I didn't want to quarrel with him, so I just threw the kettle away. Now I have to use a stove to boil water. Next time, if I am going to buy another electric kettle, I will look into a more reliable place and try to get a trusted brand.

Model 2

When and where: A couple of days ago, I went to a supermarket to buy some **groceries**.

What and why you bought them: I bought some milk in that supermarket because the milk in my fridge nearly ran out.

Why this experience was unhappy: When I got home, I was surprised to find that the milk was past its sell-by date, so I returned to the supermarket and asked for my money back. However, the sales clerks wouldn't listen to me and they refused to give me a **refund**. I was left with no choice but to call their manager and **complain to** him **about** this matter. To my surprise, the manager didn't listen to me as well. That was an extremely unhappy shopping experience, but I learned a lesson from it. Now, whenever I buy something, I will always check the date before I pay.

You are required to talk for the full 2 minutes.
